WHAT

MS has been banned from the library premises as of a certified letter dated June 11, 2009. Monday June 15 the attached pages were brought to the Reference Desk. Apparently MS approached a library user to deliver them.

Tuesday June 16 MS called me about 10:00 am asking to meet with me off the library premises. I said no, I will not meet with you. He said, "OK" and hung up. At 10:25 am Tuesday the 16th, he called the Reference Desk to have his personal property returned.

Refer report to your supervisor or the Library Director.

ACTION TAKEN/FOLLOW UP:

Concerned with harassment of library users and staff, I talked with J. Reichart of the City of Hamilton Police Dept. Mr. Reichart said he will keep the spiral notebook, call MS and have him pick it up at City Hall. Officer Reichart encouraged me to keep a file of all contacts with MS.
