FIND MY THREAT - Michael Spreadbury, Ravalli County Montana Exposing Montana Corruption.

SUNDAY, JUNE 19, 2011

As promised, the FIND MY THREAT game has arrived.

On November 4, 2009 Michael Spreadbury approached a librarian and asked for help in public. The most intense evil, corruption, and hatred on the planet is incorporated in Hamilton Montana, and throughout the state of Montana which ranks 48 in the lower 48 for Justice (we have no justice--see what we did about it).

A county deputy prosecutor was promoted to work for Steve Bullock, Montana Attorney General in Helena assigned as "special Ravalli County prosecutor" in the case for Ravalli County Attorney George Corn.

A witness, Gavin Rickle's "recognized" Michael Spreadbury although they never met.

The Librarian swore in court Nov. 20, 2009 that she did not remember anything Spreadbury said to her Nov. 4, 2009 outside the Bitterroot Public Library (witnessed).
[A credible threat must be communicated to reach the level of Felony Intimidation MCA 45-5-203]

The librarian also swore to Hamilton City Judge Michael Reardon that she went to the Hamilton Montana Police by herself--the Hamilton Montana Police report says differently. Reardon made opinion that Spreadbury did not violate any court restrictions at hearing November 20, 2009; in the hearing City Attorney Bell represented the Librarian, in violation of his official duties, known as Official Misconduct MCA 45-7-401 a misdemeanor in Montana.

The Librarian, and library are now being protected by a law firm [Boone Kariberg PC of Missoula, Montana] using fraudulent public funds [public fraud is the #1 CRIMINAL priority of the Federal Bureau of Investigation (FBI)]: <http://www.fbi.gov/about-us/investigate>.

We submitted this information to the RAVALLI REPUBLIC "political officer", and decided to protect the constitutionally criminal, treasonous by not releasing the name of the officer, because it would literally destroy his career, and Michael Spreadbury wants none of that for the guilty pinhead.

Defamation by the Librarian was removed from the Hamilton Montana police report, which is not needed now. Of note, the police report was not signed by a supervisor, which on its face makes it illegitimate. Welcome to Hamilton Montana, and lets get ready to play: FIND MY THREAT.

First an affidavit of facts, proving my innocence using a foreign document in the Ravalli Republic: THE UNITED STATES CONSTITUTION.
