

I, Michael Spreadbury do attest that the following is true and I swear to this with a penalty of perjury if these facts are not true.

Recall Petition:

To the Honorable Regina Plettenberg, Ravalli County Election Administrator:

We the undersigned qualified electors of Ravalli County, Montana respectfully petition that an election be held as provided by law on the question of whether Chris Hoffman, holding the office of Ravalli County Sheriff should be recalled for the following reasons:

INCOMPETENCE:

Ravalli County Sheriff Chris Hoffman knowingly allowed deputies to violate civil rights of Ravalli County Residents. At time of traffic stops and law enforcement operations, free speech was halted by selective turning off communication equipment which records all communication between deputy and suspect. This transcript of communication is used in court to convict suspects. Further incompetence is the gathering of evidence: in a non-equal manner. This puts justice in jeopardy for Ravalli County residents.

OATH OF OFFICE:

Ravalli County Sheriff has violated his sworn oath of office by not upholding the Montana Constitution Article II Section III as it pertains to inalienable rights granted to all Montana citizens to protect property and enjoy a healthy environment. Sheriff Hoffman allowed toxic smoke to enter the residence of 291 Cooper Lane and allowed deputies to cite the resident at that address for protecting the property from attack which occurred on October 10, 2006. This evidence describes two counts of violating a state constitutional oath.

Signed this 26th day of January, 2009

Michael Spreadbury
