Dear Secretary of State Office
a Linda McCullach

Enclosed is a circulation sheet to be considered for the Montana Recall Act against the Attorney General Steve Bullock.

Also enclosed is a sworn affidavit as to the truth of the statements against Mr. Bullock. These are required as per the Montana Recall Act MEA(2-16-600).

Today is the 1st day that a recall petition can be waged against this public official (2 months in office).

An added enclosure is an editorial about Justice that was published in the Missoulian Newspaper. Your elections and MT Secretary of State can improve this situation: Please refuse to certify any election for the City of Hamilton. This is for our safety from the out of control police force and local judicial system. (Previous Mail Package RE: HAMILTON INCORPORATION)

We are counting on You.

Thank you,

Michael Spreachbury a We the People of Ravalli County.

I, Michael Spreadbury do attest that the following is true and I swear to this with a penalty of perjury if these facts are not true.

Recall Petition:

To the Honorable Linda McCullough, State Election Administrator:

We the undersigned qualified electors of The State of Montana respectfully petition that an election be held as provided by law on the question of whether Steve Bullock, holding the office of Montana Attorney General should be recalled for the following reasons:

INCOMPETENCE:

Attorney General Bullock knowingly presides over a justice system that is top to bottom corrupt. It includes the Montana Bar Association, Judicial Commission, Highway Patrol, Department of Justice, and local Law Enforcement units. Mr. Bullock does not uphold justice, merely what is expedient to their cause of the moment. The Attorney General is willing to threaten anyone willing to challenge his illegal reign at MT DOJ. Case in point is a 2007 phone conversation where he threatened a decorated FEMA officer and Montana resident with loss of employment, and residence if said person questioned his department. Mr. Bullock is willing to cover illegal activities for local officials when needed. This includes obstructing justice and issuing threats.

OATH OF OFFICE:

Attorney General Bullock violates the state and federal oath of office by not upholding equal protection under the law as described in those documents.

Signed this 26th day of January, 2009
