

\$20,000,000.00 in monetary damages and an injunction that enjoins Defendants from racially profiling minorities. (*Id.* at CM/ECF p. 6.)

II. APPLICABLE LEGAL STANDARDS ON INITIAL REVIEW

The court is required to review in forma pauperis complaints to determine whether summary dismissal is appropriate. See [28 U.S.C. § 1915\(e\)](#). The court must dismiss a complaint or any portion thereof that states a frivolous or malicious claim, that fails to state a claim upon which relief may be granted, or that seeks monetary relief from a defendant who is immune from such relief. [28 U.S.C. § 1915\(e\)\(2\)\(B\)](#).

A pro se plaintiff must set forth enough factual allegations to “nudge[] their claims across the line from conceivable to plausible,” or “their complaint must be dismissed” for failing to state a claim upon which relief can be granted. [Bell Atlantic Corp. v. Twombly, 550 U.S. 544, 569-70 \(2007\)](#); see also [Ashcroft v. Iqbal, 129 S. Ct. 1937, 1950 \(2009\)](#), (“A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged.”). Regardless of whether a plaintiff is represented or is appearing pro se, the plaintiff’s complaint must allege specific facts sufficient to state a claim. See [Martin v. Sargent, 780 F.2d 1334, 1337 \(8th Cir. 1985\)](#). However, a pro se plaintiff’s allegations must be construed liberally. [Burke v. North Dakota Dep’t of Corr. & Rehab., 294 F.3d 1043, 1043-44 \(8th Cir. 2002\)](#) (citations omitted).

III. DISCUSSION OF CLAIMS

Claims relating to the validity of an individual’s incarceration may not be brought in a civil rights case, regardless of the relief sought. As set forth by the Supreme Court in

[Preiser v. Rodriguez, 411 U.S. 475 \(1973\)](#), and [Heck v. Humphrey, 512 U.S. 477 \(1994\)](#), if success on the merits of a civil rights claim would necessarily implicate the validity of a prisoner's conviction or continued confinement, the civil rights claim must be preceded by a favorable outcome in a habeas corpus or similar proceeding in a state or federal forum. Absent such a favorable disposition of the charges or conviction, a plaintiff may not use [42 U.S.C. § 1983](#) to cast doubt on the legality of his conviction or confinement. See [Heck, 512 U.S. at 486-87](#); see also [Smith v. Holtz, 87 F.3d 108, 113 \(3d Cir. 1996\)](#) (applying *Heck* to a claim that would implicate the validity of a future conviction on a pending criminal charge).

Liberally construed, Plaintiff asserts that he was stopped and searched based on a practice of racial profiling. (Filing No. [1](#).) Plaintiff also asserts his conviction is "void." ([Id.](#) at CM/ECF p. 10.) Plaintiff's claims necessarily implicate the validity of his conviction and current confinement. See, e.g., [Smithart v. Towery, 79 F.3d 951, 952 \(9th Cir. 1996\)](#), (per curiam) (concluding allegations that defendants lacked probable cause to arrest him and brought unfounded criminal charges challenge validity of conviction and are *Heck*-barred). As set forth above, the court cannot address such claims in an action brought pursuant to [42 U.S.C. § 1983](#). However, the court will dismiss Plaintiff's Complaint without prejudice to reassertion in a habeas corpus or similar proceeding.

IT IS THEREFORE ORDERED that:

1. Plaintiff's Complaint (Filing No. [1](#)) is dismissed without prejudice; and

2. A separate judgment will be entered in accordance with this Memorandum and Order.

DATED this 14th day of April, 2014.

BY THE COURT:

s/Laurie Smith Camp
Chief United States District Judge
