Re: Yanouskiy, as Administrator for Stanitskyy v. Eldorado Logistics, et al.
Docket No.: 05-CV-2202 (SJ) (JMA)
Our File No.: 810-3012

Dear Judge Azrack:

This firm represents defendants in the above wrongful death action. Kindly accept this as a status report and request to "so-order" the briefing dates set forth below. Defendants previously filed their motion to dismiss this case based on lack of personal jurisdiction, and other grounds. The court permitted plaintiff discovery limited to the jurisdictional issues. On May 5, 2006 the defendants provided their responses to plaintiff's interrogatories and discovery demands. (Plaintiff's counsel had previously consented to extend defendant's time to respond to interrogatories due to defendant's difficulties in obtaining the requested information and documents.)

Accordingly, as per your Honor's prior ruling at the January 9, 2006 status conference, plaintiff's opposition papers are due on June 5, 2006 and defendant's reply papers are due June 19, 2006.

Thank you for your consideration of this matter. If you have any questions, please contact me at your convenience.

Respectfully submitted,

s/David Abrams
