I was informed today by one of the lawyers that the mediation in this case was likely successful and, as a result, the parties wish to cancel the telephone scheduling conference. With that in mind,

IT IS ORDERED that

1. The telephone scheduling conference is cancelled;
2. By the close of business on Monday, September 14, 2009, counsel for all parties shall file and serve a status report.

September 4, 2009.
