This case is assigned to the magistrate judge for full pretrial supervision. In its answer (Doc. 5), the defendant advised that its proper name is "Harley-Davidson Motor Company Group, LLC." The parties subsequently agreed in their Rule 26(f) planning report (Doc. 12 at p. 23) that the case caption should be amended, "as Harley-Davidson Motorcycle Co. is not an actual entity; rather, the proper name of the defendant, based on the allegations made by plaintiffs in their complaint, is Harley-Davidson Motor Company Group, LLC."

IT IS ORDERED that the Clerk shall amend the records of the court and the caption of this case to reflect that the defendant is "Harley-Davidson Motor Company Group, LLC," rather than "Harley-Davidson Motorcycle Co."

DATED March 17, 2011.

United States Magistrate Judge
