Defendants.	)	

This matter is before the court on Plaintiff’s Objection to Memorandum and Order (filing no. [37](#)) and Motion for Pretrial Hearing (filing no. [38](#)). The Motions are extremely difficult to decipher. As best as the court can tell, the Objection requests that the undersigned recuse himself because “[t]he court is Evil, Vile Manichees.” (Filing No. [37](#) at CM/ECF p. 1.) The court has carefully reviewed Plaintiff’s Motions and the record in this matter. In accordance with [28 U.S.C. 455\(a\)](#), the court finds that there is nothing indicating that the court’s “impartiality might reasonably be questioned” or that there is any other basis for recusal or reassignment in this matter. Furthermore, Petitioner has not filed an affidavit sufficient to trigger the provisions of [28 U.S.C. § 144](#). Further, the court finds that, at this stage of the proceedings, no pretrial hearing is necessary.

IT IS THEREFORE ORDERED that: Plaintiff’s Objection to Memorandum and Order (filing no. [37](#)) and Motion for Pretrial Hearing (filing no. [38](#)) are denied.

DATED this 29th day of March, 2012.

BY THE COURT:

*Richard G. Kopf*

Senior United States District Judge
