This matter is before the Court on the objections (Filing No. [467](#)) of plaintiff Prism regarding certain trial issues. The issues regard whether AT&T may present the Frankel Reference at trial, whether Mr. Taylor may testify regarding the Fox Reference, whether AT&T may call Mr. Neal, and whether Mr. Greendyk may testify regarding a technical document.

As to Mr. Greendyk, the Court wishes to have a better understanding of how Mr. Greendyk intends to testify and whether his testimony will have the requisite foundation. The Court finds as follows.

IT IS ORDERED:

- 1) Plaintiff's objection regarding the Frankel Reference is sustained, and it is excluded.
- 2) Plaintiff's objection regarding Mr. Taylor is sustained, and he may not offer testimony on the Fox reference.

3) Plaintiff's objection regarding Mr. Neal is overruled. The Court's order (Filing No. [421](#)) stands.

4) The Court defers the question of Mr. Greendyk until the time of his testimony.

DATED this 21st day of October, 2014.
