

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

JUSTIN JAMES ALLEE,

Petitioner,

vs.

WARDEN OF USP MCCREARY, and
STATE OF NEBRASKA,

Respondents.

8:17CV455

**MEMORANDUM
AND ORDER**

This matter is before the court on preliminary review of Petitioner Justin James Allee's Petition for Writ of Habeas Corpus ([Filing No. 1](#)) brought pursuant to [28 U.S.C. § 2254](#). The purpose of this review is to determine whether Petitioner's claims, when liberally construed, are potentially cognizable in federal court. Condensed and summarized for clarity, Petitioner raises the following claim in his habeas corpus petition: Petitioner's sentence is unconstitutional under the United States Supreme Court's holding in [Miller v. Alabama, 567 U.S. 460 \(2012\)](#), because the sentencing court did not consider the fact that Petitioner was a juvenile at the time of the commission of the crime for which he was convicted.

The court determines that this claim, when liberally construed, is potentially cognizable in federal court. However, the court cautions Petitioner that no determination has been made regarding the merits of the claim or any defenses to it or whether there are procedural bars that will prevent Petitioner from obtaining the relief sought.¹

¹ Among other things, the court has serious questions regarding whether the petition is barred by the statute of limitations, whether *Miller v. Alabama* is even applicable to Petitioner's sentence, and whether this is a second or successive habeas petition for which Petitioner is required to obtain permission to file from the Eighth Circuit Court of Appeals. See [28 U.S.C. § 2244\(b\)\(3\), \(d\)](#).

IT IS THEREFORE ORDERED that:

1. Upon initial review of the habeas corpus petition ([Filing No. 1](#)), the court preliminarily determines that Petitioner's claims, as they are set forth in this Memorandum and Order, are potentially cognizable in federal court.

2. By **May 18, 2018**, Respondents must file a motion for summary judgment or state court records in support of an answer. The clerk of the court is directed to set a pro se case management deadline in this case using the following text: **May 18, 2018**: deadline for Respondents to file state court records in support of answer or motion for summary judgment.

3. If Respondents elect to file a motion for summary judgment, the following procedures must be followed by Respondents and Petitioner:

- A. The motion for summary judgment must be accompanied by a separate brief, submitted at the time the motion is filed.
- B. The motion for summary judgment must be supported by any state court records that are necessary to support the motion. Those records must be contained in a separate filing entitled: "Designation of State Court Records in Support of Motion for Summary Judgment."
- C. Copies of the motion for summary judgment, the designation, including state court records, and Respondents' brief must be served on Petitioner *except* that Respondents are only required to provide Petitioner with a copy of the specific pages of the record that are cited in Respondents' motion and brief. In the event that the designation of state court records is deemed insufficient by Petitioner or Petitioner needs additional records from the designation, Petitioner may file a motion with the

court requesting additional documents. Such motion must set forth the documents requested and the reasons the documents are relevant to the cognizable claims.

- D. No later than 30 days following the filing of the motion for summary judgment, Petitioner must file and serve a brief in opposition to the motion for summary judgment. Petitioner may not submit other documents unless directed to do so by the court.
- E. No later than 30 days after Petitioner's brief is filed, Respondents must file and serve a reply brief. In the event that Respondents elect not to file a reply brief, they should inform the court by filing a notice stating that they will not file a reply brief and that the motion is therefore fully submitted for decision.
- F. If the motion for summary judgment is denied, Respondents must file an answer, a designation and a brief that complies with terms of this order. (*See* the following paragraph.) The documents must be filed no later than 30 days after the denial of the motion for summary judgment. **Respondents are warned that failure to file an answer, a designation and a brief in a timely fashion may result in the imposition of sanctions, including Petitioner's release.**

4. If Respondents elect to file an answer, the following procedures must be followed by Respondents and Petitioner:

- A. By **May 18, 2018**, Respondents must file all state court records that are relevant to the cognizable claims. *See, e.g.*, Rule 5(c)-(d) of the *Rules Governing Section 2254 Cases in the United*

States District Courts. Those records must be contained in a separate filing entitled: “Designation of State Court Records in Support of Answer.”

- B. No later than 30 days after the relevant state court records are filed, Respondents must file an answer. The answer must be accompanied by a separate brief, submitted at the time the answer is filed. Both the answer and the brief must address all matters germane to the case including, but not limited to, the merits of Petitioner’s allegations that have survived initial review, and whether any claim is barred by a failure to exhaust state remedies, a procedural bar, non-retroactivity, a statute of limitations, or because the petition is an unauthorized second or successive petition. *See, e.g., Rules 5(b) and 9 of the Rules Governing Section 2254 Cases in the United States District Courts.*
- C. Copies of the answer, the designation, and Respondents’ brief must be served on Petitioner at the time they are filed with the court *except* that Respondents are only required to provide Petitioner with a copy of the specific pages of the designated record that are cited in Respondents’ answer and brief. In the event that the designation of state court records is deemed insufficient by Petitioner or Petitioner needs additional records from the designation, Petitioner may file a motion with the court requesting additional documents. Such motion must set forth the documents requested and the reasons the documents are relevant to the cognizable claims.
- D. No later than 30 days after Respondents’ brief is filed, Petitioner must file and serve a brief in response. Petitioner

must not submit any other documents unless directed to do so by the court.

- E. No later than 30 days after Petitioner's brief is filed, Respondents must file and serve a reply brief. In the event that Respondents elect not to file a reply brief, they should inform the court by filing a notice stating that they will not file a reply brief and that the merits of the petition are therefore fully submitted for decision.
- F. The clerk of the court is directed to set a pro se case management deadline in this case using the following text: **June 18, 2018:** check for Respondents' answer and separate brief.

5. No discovery shall be undertaken without leave of the court. *See Rule 6 of the Rules Governing Section 2254 Cases in the United States District Courts.*

Dated this 3rd day of April, 2018.
