The Petitioner has filed an application to proceed in district court without prepayment of fees or costs (filing no. 48). In reality, he seeks leave to appeal in forma pauperis. With that understanding,

IT IS ORDERED that the Petitioner’s motion (filing no. 48), construed to be a motion to appeal in forma pauperis, is granted.¹

DATED this 17th day of December, 2018.

BY THE COURT:

s/ Richard G. Kopf
Senior United States District Judge

¹Since this matter has already been appealed and in forma pauperis status has been granted (filing no. 42), the present motion appears to be redundant.
