1 Upon Hill's motion, the Court reopened his case on November 10, 2021. *See*
2 ECF 129. Currently, Hill's second amended petition for writ of habeas corpus is due
3 January 10, 2022.

4 The parties hereby stipulate and agree to extend the time period for briefing
5 of the second amended petition for 91 days. Mr. Hill will have until April 11, 2022 to
6 file his second amended petition.

7 This extension is intended to allow counsel to devote adequate time to the
8 second amended petition. Good cause exists for this extension as counsel has had an
9 especially busy capital caseload. The additional time will allow Mr. Hill to
10 adequately prepare the second amended petition.

11 By stipulating to this extension, Respondents do not waive any possible
12 defenses to the existing petitions or future petitions.
