The '946 Patent was duly and legally issued to Dr. Scott Lewis on November 7, 1995. A true and correct copy of the '946 Patent is attached as Exhibit "A" and incorporated as part of this Complaint.

4. NAPSTER, INC. is a Delaware corporation with offices at 9044 Melrose Avenue, Los Angeles, CA. Napster may be served with process by serving its registered agent, William E. Growney, Jr., at 9044 Melrose Avenue, Los Angeles, CA 90069. Napster has made, sold, offered for

5. REALNETWORKS, INC. is a Washington corporation with offices at 2601 Elliott Avenue, Suite 1000, Seattle, WA. RealNetworks may be served with process by serving its registered agent, Robert R. Kimball, at 2601 Elliott Avenue, Suite 1000, Seattle, WA. RealNetworks has made, sold, offered for sale, and offers for sale products and services that infringe one or more claims of the '946 Patent. RealNetworks has infringed, and continues to infringe, the '946 Patent either directly or through acts of contributory infringement or inducement in violation of 35 U.S.C. § 271.

6. KSOLO, INC. is a Delaware corporation with offices at 1333 Broadway, New York, NY. kSolo may be served with process by serving its registered agent, The Corporation Trust Company, at 1209 Orange Street, Wilmington, DE. kSolo has made, sold, offered for sale, and offers for sale products and services that infringe one or more claims of the '946 Patent. kSolo has infringed, and continues to infringe, the '946 Patent either directly or through acts of contributory infringement or inducement in violation of 35 U.S.C. § 271.

Sound Choice may be served with process by serving its registered agent, Kurt J. Slep, at 14100 South Lake Drive, Charlotte, NC. Sound Choice has made, sold, offered for sale, and offers for sale products and services that infringe one or more claims of the

'946 Patent. Sound Choice has infringed, and continues to infringe, the '946 Patent either through acts of contributory infringement or inducement in violation of 35 U.S.C. § 271.

### **III. BACKGROUND**

8. Dr. Scott Lewis is an individual residing in Los Gatos, California. Dr. Lewis is the controlling manager of 1<sup>st</sup> Media and the inventor of many patents, including the '946 Patent.

9. Dr. Lewis received B.S. and M.S. degrees with honors in mechanical and electrical engineering from M.I.T. Additionally, he earned a Ph.D. from Oxford University in adaptive digital signal processing as a Marshall Scholar and an M.B.A. from Harvard Business School. Dr. Lewis is a pioneer in the use of broadband internet and multimedia applications. He led the development of single-chip video and audio compression solutions, as well as the first automotive video cellular telephone.

10. Dr. Lewis is the inventor of a number of patents in multimedia communication technology including the separation, processing and recombination of multiple streams of multimedia data. This processing can include enhancement, compression and other forms of data manipulation. The inventions of Dr. Lewis' patents are used in many online entertainment systems.

### **III. PATENT INFRINGEMENT**

11. Each of the Defendants has infringed the '946 Patent either directly or through acts of contributory infringement or inducement in violation of 35 U.S.C. § 271.

12. Napster and RealNetworks have infringed, and continue to infringe, at least claims 1, 3, and 16 of the '946 Patent. Specifically, Napster and RealNetworks each own and/or operate websites available over the World Wide Web – commonly referred to as the Internet – through which

they make their respective products, systems, and/or services available to the world at large. Napster and RealNetworks infringe the '946 Patent through certain of these websites and certain products, technologies and/or applications employed thereon or available therefrom.

13. kSolo and Sound Choice have infringed, and continue to infringe, at least claim 16 of the '946 Patent. Specifically, kSolo owns and/or operates one or more websites available over the Internet through which it makes its products, systems, and/or services available to the world at large. kSolo infringes the '946 Patent through certain of these websites (namely, [www.ksolo.com](http://www.ksolo.com)) and certain products, technologies and/or applications employed thereon or available therefrom. Sound Choice partners with Napster and RealNetworks, among others, to distribute Sound Choice audio and video content over the Internet. As a consequence of its partnerships (or similar business arrangements or ventures), Sound Choice is liable to Plaintiff as a contributory infringer and/or as an active inducer of infringement.

14. The Defendants' infringement, contributory infringement, and/or active inducement of infringement has injured 1<sup>st</sup> Media. The Defendants are, thus, liable to 1<sup>st</sup> Media in an amount that adequately compensates 1<sup>st</sup> Media for their infringements, which by law cannot be less than a reasonable royalty.

15. The Defendants' infringement, contributory infringement, and/or active inducement of infringement has been willful and deliberate because each Defendant has been given notice of or, upon information and belief, knew of the '946 Patent and has nonetheless injured 1<sup>st</sup> Media. The injury to 1<sup>st</sup> Media will continue unless and until this Court enters an injunction prohibiting further

infringement and, specifically, enjoining further manufacture, use, sale and/or offer for sale of products or services that come within the scope of the '946 Patent.

**IV. JURY DEMAND**

16. Plaintiff hereby requests a trial by jury pursuant to Rule 38 of the Federal Rules of Civil Procedure and LR 38-1.

**V. PRAYER FOR RELIEF**

Plaintiff 1<sup>st</sup> Media asks that the Court find in its favor and against the Defendants and that the Court grant Plaintiff the following relief:

- a. Judgment that one or more claims of United States Patent No. 5,464,946 have been infringed, either literally and/or under the doctrine of equivalents, by one or more of the Defendants and/or by others to whose infringement the Defendants have contributed and/or by others whose infringement has been induced by the Defendants;
- b. Judgment that the Defendants account for and pay to 1<sup>st</sup> Media all damages to and costs incurred by 1<sup>st</sup> Media because of the Defendants' infringing activities and other conduct complained of herein;
- c. That 1<sup>st</sup> Media be granted pre-judgment and post-judgment interest on the damages caused to it by reason of the Defendants' infringing activities and other conduct complained of herein;
- d. That this Court declare this an exceptional case and award 1<sup>st</sup> Media its reasonable attorney's fees and costs in accordance with 35 U.S.C. § 285;
- e. That the Defendants be permanently enjoined from any further activity or conduct that infringes one or more claims of United States Patent No. 5,464,946; and

///

- f. That 1<sup>st</sup> Media be granted such other and further relief as the Court may deem just and proper under the circumstances.

DATED: January 16<sup>th</sup>, 2007.
