9	In this capital habeas corpus action, on December 21, 2023, petitioner Travers A. Greene			
10	filed motions for leave to conduct discovery and for an evidentiary hearing. ECF Nos. 200, 202. On			
11	January 16, 2024, February 29, 2024, and April 15, 2024, the respondents moved for an extension			
12	of time to respond to these motions and to file their surreply to Greene's second-amended			
13	petition. ECF Nos. 203, 205, 207. I granted the requests, giving the respondents until March 7,			
14	2024, April 22, 2024, and then May 22, 2024, to file their responses and surreply. ECF Nos. 204,			
15	206, 208. The respondents now request another extension, requesting a 14-day enlargement of			
16	time, explaining that the extension of time is necessary because of obligations in other cases. ECF			
17	No. 209. The respondents' counsel states that Greene's counsel does not oppose the motion for			
18	extension of time. I find that the respondents' motion for extension of time is made in good faith			
19	and not solely for the purpose of delay and that there is good cause for the extension of time;			
20	however, any further requests for an extension of this deadline will be viewed unfavorably.			
21	IT IS THEREFORE ORDERED that the respondents' motion for extension of time [ECF			
22	No. 209] is GRANTED. The respondents will have up to and including June 5, 2024, to file their			
23	response to the motion to conduct discovery, their response to the motion for an evidentiary			
24	hearing, and their surreply to Greene's second-amended petition.
