HALO ELECTRONICS, INC.,

Case No.: 2:07-cv-00331-APG-PAL

Plaintiff

Order

v.
BEL FUSE INC., et al.,
Defendants
This case was recently remanded from the United States Court of Appeals for the Federal
Circuit. ECF Nos. 654-56, 658. I directed the parties to confer on how the case should proceed
and to file either a stipulation if they can agree or a status report setting out their respective
positions if they could not agree. ECF No. 659. The parties have filed a status report. ECF No.

DATED this 27th day of July, 2022.

12 660.

I am inclined to dismiss the remainder of this case under Federal Rule of Civil Procedure
41(b) for failure to prosecute. But before doing so, I will give the plaintiff an opportunity to
address the relevant factors. *See Pagtalunan v. Galaza*, 291 F.3d 639, 642 (9th Cir. 2002).

I THEREFORE ORDER that by August 12, 2022, the plaintiff shall show cause why I
should not dismiss for failure to prosecute its requests for pre-judgment interest and for a trial on
damages for sales transactions excluded in prior rulings. The defendants may file a response by
August 26, 2022. The plaintiff may file a reply by September 2, 2022.
