Case No. 2:08-cv-00863-RCJ-GWF

ORDER

Renewed Motion for Order to Show Cause (#620)

14 This matter comes before the Court on Plaintiff's Renewed Motion for Order to Show
15 Cause (#620) why Defendants should not be sanctioned for failing to comply with the Court's
16 Order granting Plaintiff's Motion to Compel (#441), filed on February 8, 2013. The Court granted
17 the Motion to Compel (#441) at the January 17, 2013 hearing. *See Minutes of Proceedings, Doc.*
18 *#603.* Arguing Defendants' subsequent discovery responses were inadequate, Plaintiff filed a
19 Motion for Order to Show Cause (#606) on January 24, 2013, which the Court denied. *See*
20 *February 1, 2013 Order, Doc. #615.* The Court instructed Plaintiff that in the event Defendants
21 fail to comply with the requirements of the February 1 Order (#615), Plaintiff should file a written
22 request for a hearing regarding the dispute prior to filing any motions. *See id.* at 10:23-11:2.
23 Plaintiff now contends that Defendants' supplemental responses are still insufficient. The proper
24 recourse in accordance with the Court's Order (#615), however, is to file a written request for a
25 hearing. Accordingly,

26 **IT IS HEREBY ORDERED** that Plaintiff's Renewed Motion for Order to Show Cause
27 (#620) is **stricken**.
