**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

* * *

RAMPARTS, INC.,

Plaintiff(s),

vs.

FIREMAN'S FUND INSURANCE
COMPANY, *et al.*,

Defendant(s).

Case No. 2:09-cv-371-RLH-LRL

ORDER
(Motion for Relief #173)

Before the Court is Defendant Fireman's Fund's Motion for Relief from Order or, in the Alternative, Motion for Reconsideration of the Clerk's Memorandum Regarding Taxation of Costs (#173, filed September 6, 2011). The Court has also considered Plaintiff's Opposition (#174) and Fireman's Fund's Reply (#175).

The Motion will be denied for the following reasons:

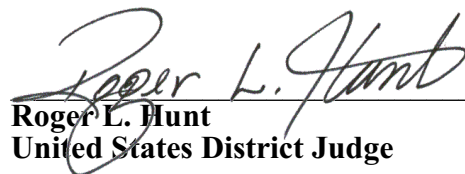

The Motion is untimely. Local Rule 54.1(a) requires a prevailing party to serve and file a bill of costs no later than 14 days after entry of judgment. Having obtained summary judgment on June 7, 2010, Fireman's Fund is more than a year late.

While the Court finds that Fireman's Fund should be considered a prevailing party against Plaintiff, the Bill of Costs, together with the Memorandum in Support thereof, do not adhere to the Local Rules in that they do not "verif[y] and distinctly set forth each item so that its nature can be readily understood." Local Rule 54.1(b). For example, fees for an out-of-state attorney to appear are not recoverable. This item was not distinctly set forth for other costs that might be recoverable.

1 The Court was just given a lump sum. Transcripts are not recoverable unless requested by the Court.
2 The cost associated with one copy of a deposition is recoverable, but the claimed costs for depositions
3 are not broken out either in the Bill of Costs or the Memorandum in support thereof. The costs for
4 printing, reproduction and exemplification are not taxable unless ordered by the Court Local Rule 54-
5 6. Costs for postage, messenger services and delivery fees are not taxable. Finally, a mediator's fees,
6 particularly those which occurred after judgment, are not taxable.

7 IT IS THEREFORE ORDERED that Defendant Fireman's Fund's Motion for Relief
8 from Order or, in the Alternative, Motion for Reconsideration of the Clerk's Memorandum Regarding
9 Taxation of Costs (#173) is DENIED.

10 Dated: October 28, 2011.
