This extension is requested in good faith to allow the parties to continue negotiating the potential settlement of this case. Counsel have met in person to discuss settlement and have continued to work together towards reaching a settlement of all claims since their initial settlement meeting last month. This extension is not requested for the purpose of undue burden or delay, and an extension would allow the parties to continue negotiating in good faith without unnecessarily wasting the time and resources of court and counsel.

Therefore, based on the foregoing and for good cause appearing, the Parties, by and through their respective counsel of record, do hereby stipulate and agree as follows:

1) The Parties stipulate and agree to stay all proceedings and extend all discovery deadlines, including response deadlines to currently pending discovery requests, for an additional 30 days pending settlement discussions.
