PRESENT: THE HONORABLE LAWRENCE R. LEAVITT, United States Magistrate JudgeJUDICIAL ASSISTANT: Carol DePino RECORDER: NoneCOUNSEL FOR PLAINTIFF(S): None AppearingCOUNSEL FOR DEFENDANT(S): None Appearing

Before the court is plaintiffs' Motion to File Documents Under Seal (#42, filed October 7, 2010). The motion (#42) was filed contemporaneously with and in support of plaintiffs' Motion for Protective Order (#41). The motion for protective order sought protection from plaintiffs having to travel from Louisiana to Las Vegas for depositions. The undersigned issued an Order (#47) denying the motion for protective order on October 14, 2010. On October 21, 2010, the presiding district judge reversed in part Order (#47), and ordered the depositions to take place by video-conference on November 23, 2010 and further ordered that plaintiffs turn over to defendants a copy of the physician statement which allegedly indicated that plaintiff, Janie Joseph, could not travel to Las Vegas. Order (#50). Accordingly,

IT IS ORDERED that plaintiffs' Motion to File Documents Under Seal (#42) is denied as moot.
