10/15/2010	163	ORDER denying, without prejudice, Motion (DE 162) for Leave to File Response to Motion for Sanctions. The motion does not contain the required certificate attesting to a pre-filing conference with opposing counsel. In addition, the Court specifically instructed the parties to not submit any responses before the telephone hearing scheduled for October 18, 2010. Neither the Court nor its law clerks will review the

		proposed response which was filed along with the motion. Counsel can advise the Court, during the hearing, of the points outlined in the unread response. If, at the end of the hearing, counsel still believes that it is necessary for the Court to review the response, then the motion for leave can be renewed at that time. The Court is optimistic that the disputes will be resolved at the hearing, without further briefing, and that the proposed response will be moot. Signed by Magistrate Judge Jonathan Goodman on 10/15/2010. (JG) (Entered: 10/15/2010)

03/09/2011	227	ORDER granting in part and denying in part without prejudice 226 Motion for Extension of Time. The Court is now aware (from the motion for extension filed this afternoon) that the attorney primarily responsible for working with the IT vendors to produce a privilege log is scheduled to be married and then go on a honeymoon. However, there is an April 15, 2011 discovery cutoff and the parties are in the midst of taking depositions and they need the privilege log to know which documents may be used as exhibits in the depositions. Fontainebleau Resorts LLC advises that Bank of America, N.A. does not oppose the motion IF the discovery deadline and other deadlines linked to the discovery cutoff are extended for a month. FBR also advised that the Term Lenders oppose any extension of the discovery deadline. This Court, however, does not have the jurisdiction to unilaterally extend discovery deadlines or other, related deadlines imposed by U.S. District Judge Alan Gold. Moreover, it is FBR who is responsible for the apparent inadvertent production of privileged emails and the delay in providing a privilege log to identify the privileged emails and demand their return. Therefore, the Court is reluctant to provide a significant enlargement without a discovery cutoff enlargement, which the Court is unable to provide. I will therefore provide FBR with modest relief -- and extend the compliance deadline for the email server privilege log to 5:00 p.m. on March 17, 2011. To the extent that FBR's motion seeks an additional enlargement beyond March 17, 2011, it is denied, albeit without prejudice. If FBR or a party to the litigation files an appropriate motion and persuades Judge Gold to extend the discovery deadline and other deadlines by one month, then FBR can file a renewed motion and this Court will give it renewed consideration. But in the absence of a change in the discovery cutoff deadline and other scheduling deadlines, and given the procedural posture and upcoming discovery cutoff, the motion for an enlargement beyond March 17, 2011 is denied without prejudice. Signed by Magistrate Judge Jonathan Goodman on 3/9/2011. (JG) (Entered: 03/09/2011)
