11 Before the court is plaintiffs’ *EMERGENCY* Motion For A Protective Order and To Quash
12 Subpoena Requesting Production of Retainer Agreement. (#268). Wyndham defendants filed an
13 Opposition (#271), and individual defendant James Friedman filed a Joinder thereto (#272). Plaintiff
14 filed a Reply. (#273). The court held a hearing on March 28, 2012, at 9:30 a.m.

15 Having reviewed the moving papers and considered the arguments made during the hearing, the
16 court finds that defendants are entitled to the dates that plaintiffs’ counsel transmitted the retainer
17 agreements to each current and former plaintiff and the dates that each current and former plaintiff
18 signed the retainer agreements. Plaintiffs shall make a good faith effort to locate the dates when the
19 retainer agreements were transmitted to each current and former plaintiff, including inquiring of the
20 current and former plaintiffs as to whether they have documentation evidencing or an independent
21 recollection of when they received the retainer agreements. Plaintiffs are not required to produce the
22 actual retainer agreements at this time.

23 During the hearing, plaintiffs’ counsel indicated that a confidential document was inadvertently
24 disclosed as an exhibit to the plaintiffs’ motion (#268). Accordingly, plaintiffs asked this court to seal
25 Exhibit 12 (#268-4 Pages 163-170) attached to plaintiffs’ motion.

26 Accordingly, and for good cause shown,

1 IT IS ORDERED that plaintiffs' *EMERGENCY* Motion For A Protective Order and To Quash
2 Subpoena Requesting Production of Retainer Agreement (#268) is GRANTED in part and DENIED in
3 part, as discussed above.

4 IT IS THEREFORE ORDERED that, within 14 days from the date of this order, plaintiffs shall
5 provide defendants with the dates that plaintiffs' counsel transmitted the retainer agreements to each
6 current and former plaintiff and the dates that each current and former plaintiff signed the retainer
7 agreement.

8 IT IS FURTHER ORDERED that Exhibit 12 (#268-4 Pages 163-170) to plaintiffs' motion
9 (#268) shall be SEALED.

10 DATED this 28th day of March, 2012.
