**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

2:10-CV-1231 JCM (GWF)

JOHN SANDERS and CHRISSIE
COON-SANDERS,

Plaintiff(s),

v.

LABORATORY CORPORATION OF
AMERICA, et al.,

Defendant(s).

ORDER

Presently before the court is defendants', John F. Bubien and Diagnostic Pathology of Phoenix LLC, motion for partial summary judgment. (Doc. # 97). Plaintiffs filed a response in opposition (doc. # 105), and defendants filed a reply (doc. # 113).

The parties stipulated to dismiss all of plaintiffs' claims against all defendants with prejudice. (Doc. # 124). The court approved the stipulation. (Doc. # 125). After the court approved the settlement, defendants Bubien and Diagnostic Pathology of Phoenix LLC filed a supplement with the court. (Doc. # 130). The supplement represents that the motion for partial summary judgment is now moot in light of the stipulation. (*Id.*).

The court finds good cause to deny the motion for partial summary judgment without prejudice.
