10 **MEMORANDUM OF POINTS AND AUTHORITIES**

11  
12 Federal Rule of Civil Procedure 6(b)(1) and Local Rule 6-1 allow a party to request  
13 additional time to perform an act. In this case, the present request for additional time to respond  
14 to Plaintiff's Complaint is warranted for the reasons set forth below.

15 Undersigned defense counsel has not yet received any information or file materials from  
16 the Federal Defendant relative to this matter, but has been advised that information is  
17 forthcoming. Such information and file materials would be helpful, if not necessary, in  
18 responding to the allegations in the Complaint. Additionally, there has been a recent increase in  
19 the case duties and burdens on what was already a short-staffed office of civil AUSAs as a result  
20 of the departure of an AUSA on December 30, 2010, as well as two previously unfilled positions  
21 for civil AUSAs. Among other duties, undersigned defense counsel has had to prepare and file a  
22 number of briefs in other matters during the past several weeks, and also has additional briefs to  
23 prepare in the next couple weeks. Undersigned defense counsel spent most of today (January 28,  
24 2011) in an Early Neutral Evaluation (settlement conference) in another matter. A thirty-day  
25 extension will provide defense counsel with time to receive file materials from the Federal  
26 Defendant and prepare a response to the complaint.

1 For these reasons, Federal Defendant respectfully requests that the Court extend its  
2 deadline to respond to the complaint from January 28, 2011 to February 28, 2011. This request  
3 is made in good faith and not for purposes of undue delay.

4 Dated: January 28, 2011.

5 Respectfully submitted,

6 DANIEL G. BOGDEN  
7 United States Attorney
