Case No. 2:10-cv-02040-JCM-LRL

**PLAINTIFF'S MOTION TO REDACT
PROHIBITED AND PRIVATE
IDENTIFIABLE INFORMATION
FROM THE COURT RECORD**

15
16 COMES NOW the plaintiff, appearing pro se in this matter, respectfully moves this
17 Court, Pursuant to Rule 5.2(a) of the Federal Rules of Civil Procedure, and Rule 9037(b) of
18 this Court's Local Rules, for an order to redact documents in the Court's record, that contain
19 prohibited and private personal identifiable information about the Plaintiff.

20 In support of this motion, Plaintiff relies upon the Memorandum of Points and
21 Authorities set forth herein.

22
23 Dated: September 23, 2011

24 Respectfully Submitted,

25 

26 P. Jeffrey Black

27 *Plaintiff Pro Se*
28

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 Federal Rules of Civil Procedure, Rule 5.2(a) and Local Rule 9037(b), outline privacy
3 protections for document filings made to the Court. Unless otherwise ordered by the Court,
4 parties who file electronic or paper documents, are prohibited from filing documents that
5 contain specific private identifiable information, to include an individual's complete social
6 security number and full date of birth.

7 On November 22, 2010, the Plaintiff filed the complaint in this case, and attached a
8 total of eleven (11) exhibits. Exhibits #1, #5, #6 and #9 contained specific private identifiable
9 information consisting of the Plaintiff's Social Security Number, date of birth, and place of
10 birth. As such, the Plaintiff properly redacted this information prior to filing the complaint
11 with the Clerk of the Court, in accordance with Federal Rules of Civil Procedure, Rule 5.2(a)
12 and this Court's Local Rule 9037(b).

13 On June 21, 2011, the Defendant filed an Administrative Record, Declaration, and
14 Vaughn Index, including a 51 page supporting document (15-3). This document openly
15 publicizes specific private identifiable information consisting of the Plaintiff's Social Security
16 Number, date of birth, and place of birth on pages 2, 17, 27, and 39.

17 If this Motion is not granted, and the Plaintiff's personal identifiable information, as
18 described above, is not redacted from the public filings, serious and irreparable harm could be
19 caused to the Plaintiff, to include the Plaintiff's identify being stolen. The Plaintiff, a retired
20 federal law enforcement officer who worked extensively undercover in his position, has
21 already been the victim of identity theft that occurred in 2005, where his Social Security
22 number was unlawfully used to open bank accounts and lines of credit. The theft was
23 subsequently reported to the Las Vegas Metropolitan Police Department Financial Crimes
24 Division for investigation.

25 Therefore, the Plaintiff respectfully requests this Court to grant the Motion redacting
26 Plaintiff's private identifiable information from the court file, and to enter an order directing
27 the Clerk of the Court to substitute the attached four (4) redacted pages that correspond with
28 the four pages described above in the Defendant's document (15-3).

The Privacy Act of 1974
Public Law 93-579
5 U.S.C. § 522a et seq.

FOIA Request No. 015

Delivered via US Certified Mail
No. 7007 1490 0002 8677 0336

REQUEST IS HEREBY MADE, pursuant to the Freedom of Information Act, Title 5 of the United States Code, Section 522, [hereafter referred to as "FOIA"], and also the Privacy Act of 1974, Title 5 of the United States Code, Section 522(a) [hereafter referred to as the "Privacy Act"], and is made by Philip J. Black, [hereafter referred to as the "Requester"], being a citizen of the United States and of the State of Nevada, and such request is hereby served upon the US Immigration & Customs Enforcement, Office of Professional Responsibility [hereafter referred to as the "Respondent"].

The FOIA establishes a presumption that records in the possession of agencies and departments of the Executive Branch of the United States government, are openly accessible to the people, and as such, the FOIA requires Federal agencies to provide the fullest possible disclosure of information to the public. Whereas, the Privacy Act specifically allows individuals to seek access to an agency's "system of records" pertaining to themselves, and to review the record and have copies made thereof.
