**MOTION TO REQUEST ENLARGEMENT OF TIME FOR FILING SHOW A GOOD  
CAUSE OF WHY THIS CASE SHOULD NOT BE DISMISS UNDER THE RULE 6(B)  
AND TO ALLOW PLAINTIFF A DISCOVERY PURSUANT TO RULE 26**

Plaintiffs' respectfully move this case to enlargement of time for filing a good cause on why this case should not be dismissed and to allow Plaintiff a discovery for the reasons set forth below;

1. Plaintiff do not have access to a large staff to handle like an ordinary business, let alone the extra-ordinary demands of litigation. Plaintiff is a PRO SE litigant and have been preparing the documents slowly and have been carefully assigned to assure Plaintiff's orderly and timely involvement with this case and answer to be going to file will be carefully fit and valid.
2. Federal Defendant's conduct has forced Plaintiff to represent his imminently threatened agency action. Plaintiffs felt stressed and cannot concentrate and deprived his ability to prepare and file any documents to be answer within the time normally allotted for the same as a lawyer.
3. Plaintiffs' believe an extension of time to show a good cause of why this case should not be dismissed would be sufficient for filing an extension of time to August 11, 2011.

WHEREFORE, Plaintiffs move this Court for an Order extending the time for filing show good cause of why this case should not be dismissed and to allow discovery against the defendants' and Enlargement of time to August 11, 2011 pursuant to FCRP 16(b).
