12 Defendants.)

Case No. 2:11-cv-00271-RCJ-GWF

ORDER

Motion to Reconsider (#101)

13 This matter comes before the Court on Mitchell Posin, Esq.'s Motion to Reconsider (#101),
14 filed on April 1, 2013. Defendants filed a Response (#102) on April 9, 2013. Plaintiff filed a
15 Response (#103) on April 18, 2013.

16 On May 9, 2012, the Court granted Defendants' Motion to Compel (#33). *See Order, Doc.*
17 *#39*. Subsequently, the Court awarded Defendants their attorneys' fees for bringing the Motion
18 (#33) in the amount of \$3,500.00. *See June 20, 2013 Order, Doc. #53*. On the payment's due date,
19 Plaintiff filed a Motion to Toll Payment (#55), which the Court denied. *See Order, Doc. #58*. The
20 Court also awarded Defendants additional fees in the amount of \$1,125.00 for opposing Plaintiff's
21 Motion (#55). *Id.* Plaintiff then discharged Mr. Posin as his counsel in this case. *See Order, Doc.*
22 *#71*. Plaintiff filed a pro-se Motion (#90) requesting that the attorneys' fees be levied on Mr. Posin
23 instead of Plaintiff because the discovery responses were solely Mr. Posin's responsibility. At the
24 February 14, 2013 hearing on the Motion (#90), Mr. Posin argued Plaintiff was solely responsible
25 for the responses because, as an employee of Mr. Posin, Plaintiff was aware of the discovery
26 requests. The Court granted the Motion (#90) in part and denied it in part by holding Plaintiff and
27 Mr. Posin jointly and severally liable for payment of the fees. *See February 15, 2013 Order, Doc.*
28 *#96*.

1 In their Response (#102) to the instant Motion, Defendants represent that Plaintiff timely
2 paid half of the awarded fees. Defendants further represent that they gave Mr. Posin an extension
3 to pay the outstanding amount, at which time Mr. Posin still did not pay. Mr. Posin now seeks
4 reconsideration of the Court’s Order (#96), and requests the Court to relieve him of any obligation
5 to pay the fees.

6 Courts “possess the inherent procedural power to reconsider, rescind, or modify an
7 interlocutory order for cause seen by it to be sufficient” so long as it has jurisdiction. *City of Los*
8 *Angeles, Harbor Div. v. Santa Monica Baykeeper*, 254 F.3d 882, 885 (9th Cir. 2001).
9 Reconsideration is appropriate if the court “(1) is presented with newly discovered evidence, (2)
10 committed clear error or the initial decision was manifestly unjust, or (3) if there is an intervening
11 change in controlling law.” *United States Aviation Underwriters v. Wesair, LLC*, 2010 WL
12 1462707, *2 (D. Nev. 2010) (citing *School Dist. No. 1J, Multnomah County, Or. v. AcandS, Inc.*, 5
13 F.3d 1255, 1263 (9th Cir. 1993)). “A motion for reconsideration is not an avenue to re-litigate the
14 same issues and arguments upon which the court already has ruled.” *In re AgriBioTech, Inc.*, 319
15 B.R. 207, 209 (D. Nev. 2004).

16 Here, Mr. Posin has not offered any new evidence, convinced the Court its previous ruling
17 was in clear error, or offered any intervening change in law that would cause the Court to revisit its
18 previous ruling. Rather, Mr. Posin attempts to raise issues the Court has already ruled upon by
19 reiterating arguments he presented to the Court at the hearing on Plaintiff’s Motion (#90). In his
20 Response (#103) to the instant Motion, Plaintiff again asks the Court to levy the full amount of fees
21 on Mr. Posin. Like Mr. Posin, however, Plaintiff raises no basis for the Court to revisit the Order
22 (#96). The Court therefore finds no grounds to reconsider its Order (#96) Accordingly,

23 **IT IS HEREBY ORDERED** that Mitchell Posin, Esq.’s Motion for Magistrate Judge to
24 Reconsider Order (#101) is **denied**

25 ...
26 ...
27 ...
28 ...

1 **IT IS FURTHER ORDERED** that Mr. Posin shall pay Defendants any outstanding
2 balance of the awarded attorneys' fees no later than 10 days after the date of this Order.

3 DATED this 7th day of May, 2013.
