CAESARS WORLD, INC., a Florida
corporation,

Plaintiff,

v.

MARCEL JULY, and individual, and
OCTAVIUS TOWER LLC, a Nevada Limited
Liability Company,

Defendants.

CASE NO. 2:11-CV00536-GMN-PAL

DECLARATION OF THERESA CONDUAH, ESQ.

I, Theresa Conduah, declare as follows:

1. I am over eighteen years of age and suffer from no legal disability. I am familiar with the facts and circumstances in this action and am personally knowledgeable of the matters set forth in this declaration and, if called upon to do so, I could and would testify competently to the facts set forth herein.
2. I am an associate at Alston & Bird, LLP, counsel for Plaintiff Caesars World, Inc. ("Caesars") in the above-captioned matter. I am a member in good standing of the bars of the State of North Carolina and New York; the United States District Court for the Western and Middle Districts of North Carolina; the United States District Court for the Southern and Eastern Districts of New York; the United States Court of Appeals for Federal Circuit; and the United States Supreme Court. I also am registered to practice before the United States Patent and Trademark Office.

3. Attached hereto as Exhibit 1 are true and correct copies of news articles retrieved from LexisNexis that reference Octavius Ballroom at Caesars Palace.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

This 04 day of June 2011.

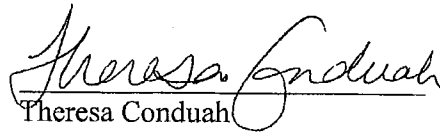

Theresa Conduah

BODY:

Dec. 27, 2010 (American Banking and Market News delivered by Newstex) --

Human Touch® to Showcase Award-Winning Massage Chairs at Digital Experience! Media Event

Special Demo of the iPod Controlled Massage Chair will be Held on the Night Before International Consumer Electronics Show " the Biggest Media Event of the Year.

Long Beach, CA (Vocus/PRWEB) December 27, 2010

Human Touch® will be at the 2011 Digital Experience! in Las Vegas, NV, on January 5, 2011 at Caesars Palace Hotel, Octavius Ballroom. A 2011 CES Innovations Design and Engineering Awards Honoree, Human Touch® is the market leader in innovative massage chairs and valuable wellness solutions.

Digital Experience! is held each year on the night before the International Consumer Electronics Show, and is the biggest and most important media event before CES. DE! showcases the latest innovations in consumer electronics and computers. Pepcom, the producer of this independent media event, expects more than 900 analysts and members of the press to attend this January.

Human Touch® is thrilled to showcase two AcuTouch?? 9500 with HT-Connect?? massage chairs at Digital Experience! Here are some of the reasons to be excited about new AcuTouch?? 9500:

The AcuTouch?? 9500 with HT-Connect?? is the worlds first massage chair to utilize any iPhone®, iPad® or iPod® Touch for a completely personalized massage and wellness experience.

By downloading HT-Connect??, a free app available via Apple iTunes, the AcuTouch?? 9500 allows users to instantly connect to a multitude of massage programs, customized options, wellness tips from the Human Touch® Wellness Council, and more.

Human Touch® to Showcase Award-Winning Massage Chairs at Digital Experience! Media Event American Banking and Market News December 27, 2010 Monday 9:20 AM EST

HT-Connect?? provides users with ample health and lifestyle tips, expert-designed massage programs from Human Touch® Wellness Council members, including Chiropractors, doctors of Naturopathy, professional athletes, massage therapists, and more.

HT-Connect?? allows its users to customize the AcuTouch?? 9500 massage chair to fit their own personal needs. HT-Connect?? remembers users settings and can modify the massage routine based on the time of day.

A slick remote of the AcuTouch?? 9500 makes it extremely easy for anyone to select from eight massage programs, or download HT-Connect?? and enjoy 16+ expertly designed programs. New massage routines are constantly added to this wellness app and are expandable through the AcuTouch?? 9500.

Pick an Espresso Shot, short targeted massage programs, for quick and effective massage relief in just five minutes. Or if you have more time, combine three Espresso Shots to enjoy an automatic, personalized wellness solution. With your iPhone® in hand, instantly select what part of your body needs the most relief and target it using the Espresso Shots feature.

According to David Potter, Vice President of Design, Human Touch, LLC, the AcuTouch?? 9500 is the only massage chair that provides an anatomic interface between the users needs and the advanced features of Human Touch® massage technology. Just one touch to indicate where you want to feel better and the AcuTouch?? 9500 goes to work delivering relief in as little as 5 minutes. HT-Connect?? knows who you are, what you need, and where you need it. And it happens seamlessly through a wireless, Bluetooth® connection. Its your own personal valet to feel better everywhere??. Human Touch® is proud to be recognized as a competitive innovator in the \$165 billion U.S. consumer electronics industry.

The AcuTouch?? 9500 will be unveiled during the Digital Experience! media event January 5th at Caesars Palace, Las Vegas. It will also be displayed in the Design and Engineering Awards Showcase located in the Grand Lobby during the Consumer Electronics Show. Please contact Colleen Rugg for DE! and CES Press Preview media event interviews.

About Human Touch®

In pushing the boundaries of its traditional massage chairs and wellness products through advanced proprietary technology and innovation, Human Touch® is focused on infusing health and wellness into everyday lives through high-quality, design-oriented and award-winning massage chairs. Human Touch® products are available at back care specialty and fine furniture stores across the country. To find a local or International dealer, please visit: Human Touch©

HEADLINE: To Showcase DCGT at Las Vegas MoneyShow

BODY:

TURBINE TRUCK ENGINES INC ("TTEG-L") - To Showcase DCGT at Las Vegas MoneyShow

Turbine Truck Engines, Inc. ("TTE") -- TTE is pleased to announce its attendance at The MoneyShow, which will be held May 10-13, 2010, at Caesars Palace in Las Vegas. TTE will host a booth at which investors can connect with the TTE team and gather further information regarding the company's patented technology.

The MoneyShow/Vegas draws investors from across North America and gives them the opportunity to learn more about issues which affect their interests. Among the presentations, Michael Ahern, Vice President of Operations at Barron's, will conduct a workshop on "Making the Most of Barron's." As part of the Investment Masters Symposium, Joe Battipaglia will conduct a workshop titled, "When Stimulus Doesn't Stimulate: How to Invest Now." And, Sandy Gregory, TTE's Corporate Statesman, will deliver a 30-minute presentation titled, "The DCGT -- A Transformative Technology for the 21st Century," in the Octavius Ballroom.

Michael Rouse, TTE President and CEO, observed, "The response which we received at The MoneyShow in Orlando (February 2010) was extraordinary, and we are very excited about having the opportunity to tell our story to another group of informed investors."

About Turbine Truck Engines, Inc.

Turbine Truck Engines, Inc. is a technology company focused on the development, manufacture and testing of its New Energy and Environmentally Efficient Truck Engine intended for mass market distribution in the United States and abroad. The new engine can utilize any known fuel source (gasoline, diesel, propane, natural gas, hydrogen, methanol, ethanol or LPG) or fuel mixture, yet needs little or no coolant, lube oil, filters, or pumps. Its unique, lightweight turbine design has few moving parts, significantly reducing maintenance costs. The innovative cyclic detonation process produces a complete combustion of fuel-oxidizer mixtures, resulting in greater fuel economy and fewer harmful exhaust emissions. For more information concerning Turbine Truck Engines, Inc., visit www.ttengines.com.

HEADLINE: Cricket Debuts Muve Music Service at 2011 International CES.

BODY:

Byline: Benzinga Staff

SAN DIEGO--(BUSINESS WIRE)--

Cricket Communications Inc., a leading provider of innovative and value-driven wireless services and a wholly owned subsidiary of Leap Wireless International, Inc. (NASDAQ: LEAP), today announced it will debut Muve Music, its new wireless rate plan with unlimited music, and the new Samsung Suede[™] (SCH-r710) mobile phone at the 2011 International Consumer Electronics Show.

For the first time publicly people will be able to see and experience Muve Music from Cricket -- first announced on December 20, 2010 - a new wireless rate plan with unlimited music which has been designed exclusively for the mobile phone and does not require the use of a computer. Muve Music, available on the Samsung Suede, will be on display at CES in a variety of places including:

- * CES Unveiled on Tuesday, Jan. 4 from 4 - 7 p.m. at Venetian Ballroom, The Venetian
- * Pepcom Digital Experience on Wednesday, Jan. 5 from 7 - 10 p.m. at Caesar's Palace in the Octavius Ballroom
- * Muve Music Lounge in the Cricket Buzz Suite from Thursday, Jan. 6 -- Sunday, Jan. 9 in S210, South Hall, LVCC -- regular show hours
- * Along the strip and around Las Vegas including nearby Cricket stores

Entertainment Matters

Cricket, along with Variety, is one of the main sponsors of Entertainment Matters, the new International CES[R] program developed to help entertainment professionals navigate the largest, most influential technology show in the world, through exhibits, conference programs and events critical to the Hollywood community.

Cricket Debuts Muve Music Service at 2011 International CES. Benzinga.com January 3, 2011

Cricket and its Muve Music partners Universal Music Group, Sony Music Entertainment, Warner Music Group, and Samsung will host a session "Muve Music From Cricket -- The Business Model" on Friday, Jan. 7 at 4:00 p.m. in Room N250 of the Las Vegas Convention Center, located on the main concourse between the North and Central exhibit halls.

The Muve Music Experience

For just \$55 per month, Muve Music customers will get the following features on Cricket's nationwide 3G network:

- * Unlimited nationwide calling
- * Unlimited nationwide text, picture & video messaging
- * Unlimited global text messaging
- * Unlimited 3G mobile Web
- * Unlimited email
- * Unlimited data back up
- * Unlimited video

And for the first time anywhere in the U.S.

- * Unlimited full track downloads
- * Unlimited ringtones
- * Unlimited ringback tones

With Cricket's Muve Music rate plan, there are no download fees and no monthly music subscriptions. Customers' data plans will not be impacted by streaming music over the wireless network and customers won't be required to use a credit card to purchase music. Unlimited Muve Music is included in the flat rate monthly wireless service plan.

Muve Music has a robust catalog of music content which includes the four major record labels: Universal Music Group, Sony Music Entertainment, Warner Music Group, and EMI Music.

For more information about Muve Music visit www.muvemusic.com, and for more information about all of Cricket's products and services, including its dynamic device lineup, please visit www.mycricket.com.

About Cricket

Cricket is the pioneer of simple and affordable unlimited wireless services with no long-term commitments or credit checks required serving more than 5 million customers in 35 states and the District of Columbia. Cricket offers wireless voice and broadband Internet services over the latest technology, high-quality, all-digital 3G CDMA2000 1X and 1xEV-DO wireless network. Cricket's nationwide wireless voice service plans include unlimited anytime minutes, unlimited U.S. long distance, unlimited text and picture messaging, unlimited text to Mexico, unlimited Mobile Web, unlimited directory assistance, as well as a variety of calling features and feature-rich mobile applications such as popular games, ringtones and wallpapers. Cricket Broadband provides unlimited Internet access anywhere within Cricket's coverage areas at speeds comparable to DSL. For more information on Cricket, visit www.mycricket.com. Cricket is offered by Leap Wireless International, Inc., headquartered in San Diego, Calif. For more information on Leap, visit www.leapwireless.com.

HEADLINE: GoPro to Demonstrate its new 3D HERO® System as Well as LCD BacPac(TM) and Battery BacPac(TM) at the Consumer Electronics Show (CES)

DATELINE: HALF MOON BAY, Calif., Jan. 4, 2011

BODY:

HALF MOON BAY, Calif., Jan. 4, 2011 /PRNewswire/ -- GoPro, the world's best selling wearable and gear mountable HD camera company, will be demonstrating its upcoming product releases at the Consumer Electronics Show - CES - happening in Las Vegas, from January 5 - 9th.

GoPro 3D HERO® System

Connect two HD HERO cameras in one housing with a synchronization cable to shoot full 1080p 3D video. All 1080p HD HERO cameras will be compatible with the 3D HERO Expansion kit.

LCD BacPac(TM)

An industry first: a removable LCD screen that attaches to all 1080p HD HERO cameras. The LCD screen allows for easy visual control of the camera and settings as well as an integrated speaker for audio playback.

Battery BacPac(TM)

Attach the Battery BacPac on to any 1080p HD HERO camera to increase the operating time of the HD HERO. The Battery BacPac can also be used as a standalone battery charger.

GoPro will be debuting the products to media attending Pepcom's Digital Experience event taking place on Wednesday, January 5th from 7pm to 10pm at **Caesars Palace's Octavius** Ballroom. GoPro will also be holding private meetings during the show for business development and sales - for more information contact: jharris (at) GoPro (dot) com. For media inquiries contact rloughery (at) GoPro (dot) com.

More info on GoPro's best selling and industry leading HD cameras visit GoPro.com/products
