### Greg Stocks's Summary

Over the last 20+ years, I have enjoyed a diverse career in health care, beginning as a paramedic, then ICU nurse, and finally nurse anesthetist. My anesthesia career itself has been equally diverse from Trauma Anesthesia at the world famous Shock Trauma in Baltimore, private solo practice in rural South Georgia, office anesthesia for plastic surgery to the rich and famous in South Florida, and inner city high risk OB anesthesia in downtown Atlanta.

#### Specialties
