 12 OGANESIAN, AN INDIVIDUAL,

CASE NO.: 2:11-cv-01006-KJD-CHW

13 Plaintiff,

**PROTECTIVE ORDER**

14 vs.

15 CHW NEVADA IMAGING COMPANY,  
 LLC, a Nevada Limited Liability Company;  
 16 DOES and ROES 1-100; inclusive

17 Defendants.

18  
 19 Pursuant to the Stipulation of the parties for a protective order regarding the protection  
 20 and use of confidential documents in this action and good cause appearing therefore,

21 **IT IS HEREBY ORDERED THAT:**

22 1. Any party may determine in good faith that any information provided in this  
 23 action constitutes confidential or sensitive information (“Confidential Information”), and such  
 24 Confidential Information may be so designated by (1) affixing a “Confidential” or “Confidential  
 25 – Attorneys’ Eyes Only” stamp thereto, or (2) having the party who claims the information to be  
 26 confidential provide to all other parties a list of documents to be designated “Confidential  
 27 Information.” If a party challenges such designation, it shall send or give notice to the  
 28 designating party, and they shall attempt to resolve the challenge in good faith. If the challenge

1 cannot be expeditiously resolved by agreement, either the designating party or the challenging  
2 party may apply for appropriate ruling(s) from the Court. The designated information shall  
3 continue to be treated as confidential, unless and until the Court orders otherwise.

4 2. All personnel information, including but not limited to information contained in  
5 personnel files related to individuals employed by CHW Nevada Imaging Company, LLC, and  
6 all documents containing patient identifying information and/or patient diagnostic information,  
7 constitutes Confidential Information, whether or not designated as such by affixing a  
8 “Confidential” stamp thereto.

9 3. Any and all Confidential Information will be kept confidential and shall be used  
10 by the parties only for the purpose of the litigation of this action and not for other purposes  
11 unrelated to this litigation. The parties agree that any document containing Confidential  
12 Information (or any copy thereof, or any notes or memoranda of any kind which contain such  
13 information) will not leave the possession of the parties, their counsel, or any experts  
14 specifically retained for this matter other than as provided for in this Protective Order.

15 A. Items designated as “Confidential” shall not be copied or reproduced for  
16 use in this action except to the extent such copying or reproduction is reasonably necessary to  
17 the conduct of this action, and all such copies or reproductions shall be subject to the terms of  
18 this Protective Order. If the duplicating process by which copies or reproductions of items  
19 designated as “Confidential” are made does not preserve the confidentiality designation that  
20 appears on the original document, all such copies or reproductions shall be stamped  
21 “Confidential.”

22 B. Before any person is given access to items deemed “Confidential  
23 Information,” the individual shall first read this Protective Order and sign and date a declaration  
24 substantially in the form attached as Exhibit A. A copy of this declaration shall be held by the  
25 party or counsel of record for the party who is disclosing the Confidential Information.

28 ///

1 C. Counsel for the parties to whom Confidential Information has been  
2 furnished shall be responsible for restricting disclosures in accordance with the provisions of this  
3 Protective Order.

4 4. Any document produced by the parties which contains Confidential Information,  
5 as noted in the Protective Order, that is filed with the Court in this action will be filed under seal  
6 in accordance with the Rules of Practice and/or Civil Procedure of the United States District  
7 Court for the District of Nevada, unless consented to in writing by the designating party.

8 5. The parties shall not supply Confidential Information to anyone other than: (A)  
9 legal counsel for the parties and their staff; (B) such officers, directors, employees, expert  
10 witnesses, or pre-trial consultants of the parties as may be necessary to provide assistance in this  
11 action; (C) the Court and Court personnel; (D) any other person to whom the designating party  
12 agrees in writing; (E) persons employed by or affiliated with the producing person; (F) court  
13 reporters employed in connection with this action; or (G) as may be required by law.

14 7 Confidential Information may be offered into evidence in depositions, at trial or  
15 offered in any hearing subject to procedures to be established by the parties and the Court to  
16 govern the use and protection of such information. When Confidential Information is contained  
17 or incorporated in a deposition or transcript, the court reporter shall separately designate those  
18 exhibits or reference as "Confidential."

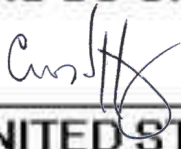

19 8. The provisions of this Protective Order shall not terminate at the conclusion of  
20 this action. Within 60 days after the final determination of this action and any appeals  
21 thereafter, each party will certify in writing that all documents designated "Confidential" by the  
22 opposing party have been destroyed including all documents provided to experts and third  
23 parties pursuant to this agreement other than trial transcripts and trial exhibits admitted into  
24 evidence. Counsel for the parties shall ensure that all parties or persons that received  
25 Confidential Information, including witnesses, deponents, consultants and all others who  
26 received Confidential Information shall certify compliance with this section and deliver such  
27 certification to counsel for the party that produced the Confidential Information not more than  
28 60 days after the final conclusion of this action.

1           9.       The provisions of this Protective Order may be modified only by order of the  
2 Court. Any party or third party is free to request such modification.

3           10.       The entry of the Protective Order does not preclude any party from seeking civil  
4 damages for the disclosure and/or dissemination of Confidential Information, nor does it entitle  
5 any party to an award for civil damages absent a showing of actual damages by the party seeking  
6 damages.
