**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

DAVID BRIGHAM YOUNG,
Plaintiff,
vs.
MERCURY CASUALTY CO., *et al.*,
Defendants.

Case No. 2:12-cv-00091-KJD-GWF
ORDER

This matter comes before the Court on Defendant Mercury Casualty Company’s (“Defendant”) Motion for an Order Requiring Supplement of Plaintiff’s Certificate of Interested Parties (#34), filed on February 1, 2013. The time to file any response expired on February 18, 2013.

This case arises out of an automobile accident wherein Plaintiff allegedly sustained brain injury. Plaintiff filed his Certificate of Interested Parties (#5) on January 30, 2012, naming only himself and Defendant. Defendant represents it has received indications that attorneys from related prior bad-faith actions and other parties have liens on any recovery Plaintiff may obtain in this case. Defendant therefore seeks an order requiring Plaintiff to supplement his Certificate of Interested Parties. Under Local Rule 7-2(d), the failure of an opposing party to file points and authorities in response to any motion shall constitute a consent to the granting of the motion. The time to oppose the instant Motion has expired, and no opposition has been filed. Accordingly,

IT IS HEREBY ORDERED that Defendant’s Motion for an Order Requiring Supplement of Plaintiff’s Certificate as to Interested Parties (#34) is **granted**.
