**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

SPECTRUM PHARMACEUTICALS, INC, et al,	}	
Plaintiffs,	}	Case No. 2:12-cv-00111-GMN-NJK
vs.	}	ORDER GRANTING REQUEST TO
SANDOZ INC.,	}	TO SEAL
Defendant.	}	(Docket No. 155)

Pending before the Court is the Declaration of Anders T. Aannestad in Support of Sealing Portions of Spectrum's Motion for Summary Judgment. Docket No. 155. Defendant seeks to file under seal certain exhibits attached to Plaintiffs' motion for summary judgment. *See* Docket No. 149; *see also* Docket No. 150 (redacted version filed on public docket). Pursuant to the procedure outlined by the Court, *see* Docket No. 152, and the Court's Order, Docket No. 154, Defendant submitted a declaration in support of the request to seal. Docket No. 155. For the reasons discussed below, the Court hereby **GRANTS** the request to seal.

I. STANDARD

The Ninth Circuit has held that there is a strong presumption of public access to judicial records. *See Kamakana v. City & County of Honolulu*, 447 F.3d 1172, 1178 (9th Cir. 2006); *Foltz v. State Farm Mut. Auto. Ins. Co.*, 331 F.3d 1122, 1135 (9th Cir. 2003). A party seeking to file documents under seal bears the burden of overcoming that presumption. *Pintos v. Pac. Creditors Ass'n*, 605 F.3d 665, 678 (9th Cir. 2010) (quoting *Kamakana*, 447 F.3d at 1178). Parties "who seek to maintain the secrecy of

1 documents attached to dispositive motions must meet the high threshold of showing that ‘compelling
2 reasons’ support secrecy.” *Kamakana*, 447 F.3d at 1180.¹ Those compelling reasons must outweigh the
3 competing interests of the public in having access to the judicial records and understanding the judicial
4 process. *Id.* at 1178-79; *see also Pintos*, 605 F.3d at 679 & n.6 (court must weigh “relevant factors,”
5 including the public’s interest in understanding the judicial process). The Ninth Circuit has indicated
6 that “‘compelling reasons’ sufficient to outweigh the public’s interest in disclosure and justify sealing
7 court records exist when such ‘court files might have become a vehicle for improper purposes,’ such as
8 the use of records to . . . release trade secrets.” *Kamakana*, 447 F.3d at 1179.

9 **II. ANALYSIS**

10 The documents at issue in the declaration are Exhibits 23-27, 31, 33, 35, and 37-38 attached to
11 the Motion for Summary Judgement That Claim 2 of U.S. Patent No. 6,500,829 is Not Invalid, as well
12 as certain information that has been redacted in the motion for summary judgment. *See* Docket Nos.
13 149, 150, 155. Specifically, the exhibits are as follows:

- 14 • Exhibit 23: Memorandum dated September 5, 1986.
- 15 • Exhibit 24: Letter dated September 11, 1986.
- 16 • Exhibit 25: A Confidentiality Agreement.
- 17 • Exhibit 26: Letter dated January 22, 1986.
- 18 • Exhibit 27: Expert Report of Stephen F. Martin, Ph.D.
- 19 • Exhibit 31: Rebuttal Expert Statement of Thomas Bannister, Ph.D.
- 20 • Exhibit 33: Transcript of Stephen F. Martin, Ph.D. Deposition
- 21 • Exhibit 35: Transcript of J. Bryan Jones Deposition
- 22 • Exhibit 37: Letter dated November 28, 1986.
- 23 • Exhibit 38: Reply Expert Report of Stephen F. Martin, Ph.D.

24
25 ¹*Kamakana* and *Foltz* involve non-parties’ attempts to obtain sealed court documents. The same
26 analysis and standards apply to a party’s motion to seal. *See Pintos*, 605 F.3d at 679 n.5; *see also*
27 *Kamakana*, 447 F.3d at 1182 n.9 (for the case before it, noting that “[t]he effective bottom line is that the
28 district court was determining whether documents should be sealed”).

1 In support of the motion to seal, Defendant submitted the declaration of Anders T. Aannestad
2 stating, in part, that this information:

3 concerns sensitive information relating to Sandoz's Abbreviated New Drug Application
4 ("ANDA") No. 230563 and Sandoz's business practices.

5 The information concerns the manufacture of the active pharmaceutical ingredient in
6 Sandoz's proposed ANDA product that is highly confidential and presently unavailable
7 to the public.

8 Disclosure of such information could injure Sandoz's competitive posture, especially
9 given that Sandoz competes in the competitive and time-sensitive generic pharmaceutical
10 industry.

11 Docket No. 155 at 2.

12 The Court has reviewed each of the exhibits and redacted portions of the motion and concludes
13 that they all contain or concern proprietary, trade secret, and technical information which warrants
14 keeping them sealed. Further, the Court finds that both good cause and compelling reasons exist to seal
15 this information that overcome the presumption of public access, that the information within the motion
16 has been properly redacted, and that the documents in the exhibits cannot be easily redacted while
17 leaving meaningful information available to the public.

18 **III. CONCLUSION**

19 For good cause shown, the unredacted motion and declaration at Docket No. 149 will remain
20 under seal and no further filing of redacted versions is required.

21 IT IS SO ORDERED.
