16
17 **STIPULATION**

18 Plaintiff Sean T. Doutre, by and through his counsel of record, Holland & Hart LLP, and
19 Defendants Dr. Romeo Aranas, Benedicto Gutierrez, and Cheryl Dressler, by and through their
20 counsel of record, the State of Nevada Office of the Attorney General, hereby stipulate to extend
21 the deadlines for discovery within the Court’s January 6, 2015 Amended Scheduling Order, as
22 amended by the Court’s May 18, 2015 Order granting the parties’ second request to extend
23 discovery deadlines as follows:

- 24 1. On January 5, 2015, the Plaintiff filed a Stipulation and Order to Amend the
25 Scheduling Order (Dkt. 59).
26 2. An Amended Scheduling Order was entered on January 6, 2015 (Dkt. 60).
27 3. The Court’s Amended Scheduling Order set the discovery deadline in this action
28 for June 8, 2015.

1 4. On May 15, 2015, the parties filed a Stipulation to Extend Discovery Deadline
2 (Second Request) (Dkt. 65) with the Court, requesting the discovery deadline be extended to

6 adding Frederick J. Perdomo as counsel for Defendants. Mr. Perdomo is substituting as counsel

- Response to Plaintiff's First Set of Requests for Admissions;
- g. On March 17, 2015, Defendants served their First Supplement to Disclosures;
 - h. On March 17, 2015, Defendants served their Responses to Plaintiff's First Set of Requests for Production of Documents to Plaintiff;
 - i. On March 24, 2015, Defendant Cheryl Dressler served her Amended Responses to Plaintiff's First Set of Interrogatories;

 - k. On May 5, 2015, Defendants served Plaintiff with their Second Supplemental Response to Plaintiff's Request for Production of Documents Number 12;
 - l. On May 13, 2013, Defendants served their Third Supplement to Disclosures; and
 - m. On May 15, 2015, Defendants deposed Plaintiff Sean T. Doure at a duly noticed deposition.
9. The following discovery remains to be completed:
- a. Plaintiff duly noticed the deposition of Dr. Syed Ahmad for May 27, 2015. Pursuant to agreement, the parties have continued the deposition due to a scheduling conflict and to facilitate settlement discussions.
 - b. Plaintiff duly noticed the deposition of Defendant Dr. Romeo Aranas for May 18, 2015 at 10:30 a.m. Pursuant to agreement, the parties have continued the deposition to facilitate settlement discussions.
 - c. Either Party may need to depose additional witnesses, recently discovered through the discovery process;
 - d. Defendants' responses to Plaintiff's Second Set of Interrogatories and Second Set of Request for Production of Documents is currently outstanding. Pursuant to agreement, the parties have agreed to continue

1 the Defendants' response deadline to a date uncertain to be agreed upon in
2 the event the parties are unable to reach a settlement.

3 10. Discovery cannot be completed within the time scheduled for the following
4 reasons:

- 5 a. The parties previously requested a sixty (60) day extension of the
6 discovery deadline to facilitate settlement discussions after the parties
7 renewed settlement discussions on May 15, 2015.
- 8 b. While the parties have been engaged in settlement discussions since May,
9 they have been unable to reach a resolution to date.
- 10 c. The parties continue to work towards a settlement resolution but
11 settlement discussions have been delayed due to Rick Perdomo's recent
12 association into this case and Plaintiff's counsel's difficulties in reaching
13 their client.
- 14 d. Accordingly, the parties need additional time to engage in settlement
15 discussions.
- 16 e. In addition, even if the parties were to cease settlement discussions in the
17 near future, it would be nearly impossible to complete discovery by the
18 August 7, 2015 deadline. The parties still need to re-set the depositions of
19 Dr. Aranas and Dr. Ahmad in addition to possibly depositing additional
20 witnesses who have recently been discovered through the discovery
21 process.

22 11. The parties propose the following schedule for the remaining discovery:

- 23 a. Discovery cut-off: Discovery is currently set to close on August 7, 2015.

24 The parties hereby stipulate to extend the discovery cut-off date by sixty (60) days to **October 6,**
25 **2015.**

26 b. Dispositive Motions: The deadline to file dispositive motions is currently
27 set for September 7, 2015. The parties hereby stipulate to extend the dispositive motion deadline
28 to **November 5, 2015**, which is thirty (30) days after the proposed close of discovery.

c. Pretrial Order: The deadline for the Court's pretrial order is currently set for October 7, 2015. The parties hereby stipulate to extend the Pretrial Order deadline to **December 7, 2015**, thirty-two (32) days after the proposed dispositive motion deadline as the thirtieth day otherwise falls on a Saturday.

d. Trial: On April 8, 2015, the parties filed their Joint Interim Status Report. Within the report, the parties proposed a January 2016 trial date to accommodate counsel for both parties counsel's maternity leave. The parties anticipate that because at least one party intends to file a dispositive motion in this case if the matter does not settle, a January 2016 trial date may not be possible.

12. This extension is sought in good faith and the parties respectfully request that the Court enter an order granting the requested extension.
