In this transferred action, plaintiff, a Nevada state inmate, filed a complaint in the Southern District of New York seeking, *inter alia*, to challenge a prison disciplinary sanction of loss of good time credit. Neither a filing fee nor an application to proceed *in forma pauperis* was received with the complaint. It does not appear from the allegations presented that a dismissal of the present action without prejudice would materially impact the analysis of the application of the limitation period or of other possible defenses in a promptly-filed later action. The Court notes that plaintiff has a demonstrated history as a frequent frivolous filer, including having long since accrued more than three strikes under 28 U.S.C. § 1915(g) and further including the filing of frivolous actions in other federal district courts around the country. *See, e.g., Gene Allen v. Nevada Department of Public Safety, etc., No. 3:09-cv-00424-LRH-RAM, #8.*

IT IS FURTHER ORDERED, in the event of an appeal, and pursuant to 28 U.S.C. § 1915(a)(3), that the Court certifies to the Court of Appeals that an appeal is not taken in good faith. So that the certification herein may be clearly marked for review by the Court of Appeals, the Clerk of this Court shall prominently include within the docket entry for this order

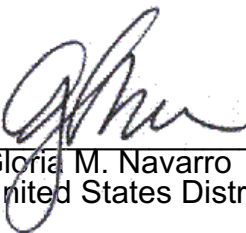

1 a statement that the order of dismissal also certifies to the Court of Appeals that an appeal
2 would not be taken in good faith.

3 **The Clerk is directed** to send plaintiff two copies each of the applicable pauper and
4 complaint forms, along with the instructions for each form and a copy of the papers that he
5 submitted.

6 **IT IS FURTHER ORDERED** that the Clerk shall enter final judgment accordingly,
7 **DISMISSING this action, without prejudice.**
