Defendant (“Stipulation of Settlement”) filed herewith. The settlement appears to be fair, adequate and reasonable to the Class.

- 2. The Settlement falls within the range of reasonableness and appears to be presumptively valid, subject only to any objections that may be raised at the final fairness hearing and final approval by this Court.
- 3. A final fairness hearing on the question of whether the proposed settlement, attorneys’ fees to Class Counsel, and the Class Representative and Class Deponent Enhancement Awards should be finally approved as fair, reasonable and adequate as to the members of the Class is scheduled in accordance with the schedule set forth below.
- 4. This Court approves, as to form and content: (i) the Notices of Pendency of Class Action, Proposed Class Action Settlement, and Hearing Date for Court Approval for opt-in and non-opt-in Class Members (“Notices of Pendency of Class Action”), in substantially the form attached to the Stipulation of Settlement as Exhibits D and F; (ii) the Claim and Consent Form, in substantially the form attached thereto as Exhibit A; and (iii) the Exclusion Form, in substantially the form attached thereto as Exhibit G. This Court approves the procedure for Class Members to participate in, to opt out of and to object to, the settlement as set forth in the Notices of Pendency of Class Action.
- 5. This Court directs the mailing of the Notices of Pendency of Class Action, Claim and Consent Form, and the Exclusion Form by first class mail to the Class Members in accordance with Stipulation of Settlement and the schedule set forth below. This Court finds the dates selected for the mailing and distribution of the Notices of Pendency of Class Action, Claim and Consent For, and the Exclusion Form, as set forth in the schedule, meet the requirements of due process and provide the best notice practicable under the circumstances and shall constitute due and sufficient notice to all persons entitled thereto.
