**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

| | | |
|---|---|---|
| PAIGE OTIS POOLE AND ADELE MONGINI POOLE, <div style="text-align: right; padding-right: 20px;">Plaintiffs,</div> vs. ZIMMER, INC., et al., <div style="text-align: right; padding-right: 20px;">Defendants.</div> |))))))))))) | Case No. 2:12-cv-01588-JCM-CWH <u>ORDER</u> |
|---|---|---|

This matter is before the Court on Defendants’ Motion for Extension of Time to Answer or Otherwise Respond to Plaintiff’s Complaint (#12), filed October 8, 2012, and the parties’ Motion to Stay Pending Transfer to Multidistrict Proceedings (#13), filed October 8, 2012.

The parties request a stay of all proceedings, including any deadline to answer or otherwise respond to the Complaint, the period for initial disclosures, and all other discovery and pretrial deadlines pending transfer of this action to the United States District Court for the Northern District of Illinois as part of multidistrict proceedings. This action is one of multiple product liability cases in which Plaintiffs allege that Defendants designed, manufactured, and sold an allegedly defective NexGen branded artificial knee implant.

The Court finds that the parties have made the strong showing necessary to support the requested stay. *See Blankenship v. Hearst Corp.*, 519 F.2d 418, 429 (9th Cir.1975). A stay of all proceedings is appropriate to promote judicial economy and consistency. On August 8, 2011, the JPML created MDL-2272 and began transferring cases involving NexGen branded artificial knee implants to the Northern District of Illinois for consolidated pretrial proceedings pursuant to 28 U.S.C. § 1407. *See In Re: Zimmer NexGen Knee Implant Products Liability Litigation*, (J.P.M.L. 2011) (#110). The Panel was notified of 28 actions pending in 13 districts and 45 additional related actions. The parties’ contend that the action before this Court will be submitted as a tag-along

1 transfer. Additionally, the Transferee Court is expected to decide the transfer of tag-along actions
2 relatively promptly. As a result, the Court finds that no prejudice will result to the parties by the
3 granting of this stay. Furthermore, in light of the Court's decision to grant the request for a stay,
4 the Court finds that the parties' stipulation for an extension of time for Defendants to answer or
5 respond to the Complaint is moot.

6 Based on the foregoing and good cause appearing therefore,

7 **IT IS HEREBY ORDERED** that Defendants' Motion for Extension of Time to Answer or
8 Otherwise Respond to Plaintiff's Complaint (#12) is **denied as moot**.

9 **IT IS FURTHER ORDERED** that the parties' Motion to Stay Pending Transfer to
10 Multidistrict Proceedings (#13) is **granted**.

11 DATED this 10th day of October, 2012.
