10 KABO TOOL COMPANY, *et al.*,

11 Plaintiffs,

12 v.

13 PORAUTO INDUSTRIAL CO., LTD., *et*
14 *al.*,

15 Defendants.

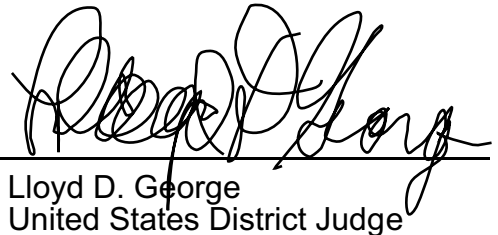

Case No. 2:12-cv-01859-LDG (NJK)

ORDER

16 The defendants have filed a second motion to dismiss (#78). They assert, without
17 any citation to authority, that it would have been premature to raise their first-to-file
18 argument in their first motion to dismiss because the Court lacked personal jurisdiction.
19 The argument is without merit. Accordingly,

20 THE COURT **ORDERS** that Defendants' Second Motion to Dismiss (#78) is
21 DENIED.

22 DATED this 26 day of March, 2015.
