**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

Gilberto Carrillo,
Plaintiff
v.
Douglas Gillespie et al.,
Defendants

Case No.: 2:12-cv-02165-JAD-VCF

Order

Plaintiff Gilberto Carrillo moves for a 60 day extension to reply to defendants' motion for summary judgment, for reasons that he explains in his motion (Doc. 183). This is his second request for a 60 day extension (*see* Doc. 181). Good cause appearing, I **GRANT** Carrillo's motion to extend time. His reply is now due by **February 9, 2015**. Carrillo is cautioned, however, that, in light of the significant extensions already provided, he should not expect any more extensions of this deadline.

DATED December 11, 2014.

Jennifer A. Dorsey
United States District Judge
