Case No. 2:13-cv-00464-APG-NJK

**SECOND ORDER REQUIRING THE
PARTIES TO MEET AND CONFER**

13 On December 11, 2015, I entered an Order requiring the parties to meet and confer about
14 the pending motions in limine and any additional contemplated motions. (Dkt. #200.) Despite my
15 Order, defendants filed four motions in limine on December 17, 2015, none of which contains a
16 certification that the parties conferred in good faith before the motions were filed. Similarly,

20 IT IS THEREFORE ORDERED that the parties shall meet and confer about the substance
21 of all pending (and any other contemplated) motions in limine. If agreements are reached on any
22 motions, in whole or in part, the agreements may be put into a stipulation and proposed order for
23 me to consider. Should the parties not reach agreement, the parties must file a certificate stating
24 that counsel actually conferred in good faith to resolve the issue and confirming which motions
25 remain in dispute. The failure to file the certificate of counsel by **January 8, 2016** will result in
26 the denial of all motions in limine. Any future motions in limine, and responses and replies to
