Case No. 2:13-cv-00656-JAD-GWF

ORDER

15 On March 6, 2014, the Court granted Defendant's motion to dismiss Plaintiff's complaint
16 for failure to state a claim. The Court dismissed the complaint without prejudice and gave Plaintiff
17 leave to file an amended complaint within 30 days to cure the deficiencies in his original complaint
18 if he was able to do so. *See Order* (#22). On April 9, 2014, Plaintiff sent a letter to the Court
19 stating that he had been unable to contact his attorney to assist in filing an amended complaint and
20 that he was in the process of attempting to find a new attorney. The Court conducted a status
21 hearing in this matter on April 29, 2014 in which it directed Plaintiff to either have new counsel
22 enter an appearance on his behalf or that Plaintiff notify the Court of his intention to proceed
23 without counsel. No further communication was received from Plaintiff. The Court therefore
24 conducted a further status hearing on July 15, 2014. Mr. Strong appeared and advised the Court
25 that he intends to represent himself without counsel and desires to pursue this action. Accordingly,
