- 25

1 4. By noon Pacific Time on every Friday, beginning March 20, 2015, and continuing

3 relevant to the subject matter of this action, which have been identified and reviewed  
4 according to these procedures.

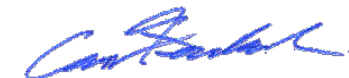

5 5. Also by noon Pacific Time on every such Friday, defendants must produce a  
6 Privilege Log and a Log of Irrelevant Documents, for all documents containing one or more  
7 search terms which have been identified, as of that Friday, as privileged or not relevant to  
8 the subject matter of this action.

9 6. These logs shall contain the Date, Sender or Creator, Recipient or Custodian,  
10 Subject Matter, Unique Identifying Number Range for the pages of the document, and the  
11 basis for withholding the document.

12 7. Defendant must complete production of all responsive documents, and in  
13 accordance with this court's October 30, 2014, Order (#92) provide a certification of the  
14 completeness of the production, by noon Pacific Time on May 1, 2015.

15  
16 IT IS FURTHER ORDERED that the discovery cut-off date is extended from March 13, 2015 to  
17 July 1, 2015; Dispositive Motions are due July 31, 2015 and The Joint Pretrial Order is due September 1,
