ORDER

15 Plaintiff's second motion (#25) seeking a waiver of the filing fee is DENIED. Plaintiff's
16 alleged obligations under orders from other courts, such as a restitution order, do not excuse
17 plaintiff from his obligation also under the Prison Litigation Reform Act to pay the full filing fee
18 for cases that he files. With regard to plaintiff's references to social security benefits and food
19 stamps, the court notes that plaintiff is incarcerated in a federal correctional facility. Paying
20 the filing fee is plaintiff's obligation under the law, not a punishment. The court has ruled on
21 this issue, now twice. That is the end of the matter.

22 DATED: November 12, 2013.
