4 Plaintiff,

ORDER

7 Defendants.

9 This action began with a pro se civil rights complaint filed pursuant to 42 U.S.C. §
10 1983. (ECF No. 1-1.) On July 29, 2013, the court issued a screening order dismissing
11 plaintiff's complaint with prejudice and closing this case. (ECF No. 21.)

12 Plaintiff has now submitted a letter to the court. (ECF No. 27.) The letter indicates
13 that plaintiff has recently been arrested for placing a bottle of Ajax on the courthouse
14 steps. (*Id.* at 1.) The letter states that plaintiff is pleading guilty to a charge based on this
15 incident but asks the court to explain why the State of Nevada decided to send plaintiff to
16 prison because of a bottle of Ajax. (*Id.* at 2.) The court cannot answer plaintiff's question.
17 This case has been closed for over seven years. To the extent that plaintiff believes that
18 any of his constitutional rights have been violated, plaintiff may pursue a civil rights action
19 or a petition for habeas corpus in a new action.

20 For the foregoing reasons, **IT IS ORDERED** that plaintiff may not pursue any
21 claims in this action. To the extent that plaintiff believes that any of his constitutional
22 rights have been violated, plaintiff may pursue a civil rights action or a petition for habeas
23 corpus in a new action.
