SECTION A: AGENCY DISCLOSURE

- A-1 Agency. Buyer and/or Seller in a real estate transaction in Hawaii may retain a real estate Brokerage Firm as their agent. In such case, Buyer and/or Seller is represented by the Brokerage Firm and all of its licensees. Hawaii law requires real estate licensees to disclose orally or in writing to Seller and/or Buyer whom the licensee represents. The form of representation may be one of the following:
(a) Seller's Agent. Brokerage Firm represents Seller only unless a disclosed dual agency exists. Seller's Agent owes the highest duties to Seller, including confidentiality, loyalty, and due care and diligence.
(b) Buyer's Agent. Brokerage Firm represents Buyer only unless a disclosed dual agency exists. Buyer's Agent owes the highest duties to Buyer, including confidentiality, loyalty, and due care and diligence.
(c) Dual Agent. Brokerage Firm represents both Buyer and Seller. This commonly occurs when licensees in the Brokerage Firm representing Seller have Buyer clients looking for types of property similar to Seller's property. In such event, the Brokerage Firm and all of its licensees represent both Buyer and Seller and are dual agents. Dual agents must remain neutral in negotiations and must not advance the interest of one party over the other. Written consent is required under Hawaii law. See RR221 Dual Agency Consent Addendum.
(d) No Agency Representation: Buyer or Seller is a Customer (See Paragraph A-2 (d) below).

If Buyer elects to rescind this Purchase Contract, Buyer must give Seller or Seller's Agent written notice of such rescission within the specified time period and the termination provisions of Paragraph O-2 shall apply. This Paragraph does not change Seller's obligations under Paragraph I-2.

I-5 **Buyer's Remedies Regarding Mandatory Seller's Disclosure Statement.** If Seller fails to comply with Paragraphs I-1 or I-2, Buyer may elect to complete the purchase of the Property. When Buyer is provided a Disclosure Statement, Documents, or Amended Disclosure Statement and Buyer decides to rescind this Purchase Contract, Buyer shall not be entitled to any damages but shall be entitled to the return of all deposits, and in such case, Buyer's deposits shall be returned immediately. If Seller negligently fails to provide the required Disclosure Statement, Documents, or Amended Disclosure Statement, Seller shall be liable to Buyer for the amount of actual damages suffered as a result of Seller's negligence. A court may also award the prevailing party attorneys' fees, court costs, and administrative fees. Buyer's right to rescind this Purchase Contract under Paragraphs I-3 and I-4 shall not apply after the Scheduled Closing Date. Any action to rescind this Purchase Contract under Paragraphs I-3 and I-4 shall commence prior to the Scheduled Closing Date.

I-6 **General Disclosures.** Paragraphs I-6(a) through I-6(l) describe general issues which could affect the Property. Buyer should make appropriate inquiry regarding these issues as part of Buyer's inspection right under Paragraph J-1.

(a) **Governmental and Private Restrictions Disclosure.** The Property is subject to all applicable federal, state and county laws, statutes, regulations, codes, ordinances, rules, procedures, restrictions, and requirements, including, but not limited to, those concerning land use, zoning, building permits and requirements, rebuilding requirements, setbacks, height limitations, lot coverage restrictions, and allowable uses. The Property may also be subject to private restrictions, which include the encumbrances described in Paragraph G-2(a)(i). Private restrictions can cover a wide range of issues, including, but not limited to: design standards and requirements for permits/approvals; setbacks, height limitations, lot coverage restrictions, and allowable uses; licenses and easements; encroachment, common wall, private road, common driveway, and similar agreements; and condominium, cooperative, PUD, subdivision, homeowner's/community association, or cluster development related matters, including maintenance fees, assessments, and other charges.

(b) **Building Permits Disclosure.** Buyer is aware that many residential properties do not have all building permits as required by county ordinances and/or may not have been built according to the plans or building permits issued. Buyer understands there are potential risks in purchasing any property on which unpermitted or non-complying work has been done. The risks may include, but are not limited to: (i) fines, (ii) discontinued use of the property, (iii) inability to rebuild, and (iv) requirement to remove or rebuild the affected area. All of the above could affect the appraised value and insurability of the property.

(c) **Asbestos Disclosure.** Asbestos materials are hazardous to one's health, particularly if asbestos fibers are released into the air and inhaled. In the past (before 1979, but possibly since) asbestos was a commonly used insulation material in heating facilities and in certain types of floor and ceiling materials, shingles, plaster products, cement and other building materials. Buyer is aware that Buyer should make appropriate inquiry into the possible existence of asbestos in, on, or at the Property. Structures having "popcorn" or "cottage cheese" type ceilings may contain asbestos fibers or asbestos-containing material. Such ceilings should not be disturbed since it could release asbestos fibers in the air. Any disturbance should be done only by licensed abatement contractors.

(d) **Hazardous Waste and Toxic Substances Disclosure.** Federal and state laws place strict liability on property owners for dangers caused by hazardous waste management and may require that such owners pay for the cost of the cleanup of hazardous substances and other toxic substances. Buyer is aware that Buyer should make appropriate inquiries into the current and past use of the Property and should seek an environmental assessment to ascertain the possible existence of such hazardous substances or materials on or under the Property. Buyer is aware Buyer may have liability for hazardous substances located on or under the Property even if Buyer did not cause such substances to be on or under the Property.

(e) **Wastewater Disposal Disclosure.** The State of Hawaii Department of Health and the individual counties may require upgrades from cesspools to septic tanks or connection of new systems in certain situations. Additionally, the Federal Environmental Protection Agency ("EPA") has issued regulations requiring that all "large capacity cesspools" be closed and converted to EPA approved systems by April 5, 2005 or face substantial penalties. Buyer should contact the State of Hawaii Department of Health, the EPA, and the individual counties for additional information.

(f) **Mold Disclosure.** Mold and/or other microscopic organisms may exist in, on, or at the Property. Molds are simple, microscopic organisms, present everywhere. Mold spores may cause health problems. Mold will grow and multiply whenever sufficient moisture, temperature and organic material are present. Brokerage Firms, brokers, and agents are not qualified to inspect the Property for mold or to make recommendations or determinations concerning possible health or safety issues. More information is available at the EPA's website.

(g) **Sex Offender Registration ("Megan's Law").** Hawaii law requires sex offenders to register with the State Attorney General's office. Buyer may contact the Department of the Attorney General or visit its website for information regarding sex offenders who have registered with the State of Hawaii.

(h) **Flood Zone.** The Property may be located in an area which is a Flood Hazard Zone. Lenders may require Buyer to purchase flood insurance in order to obtain any loan secured by the Property. Buyer is advised that flood insurance premiums may increase significantly based upon FEMA flood zone designations, changes to flood zone maps, or FEMA requirements. Buyer is further advised to consult with Buyer's insurance agent and contact the National Flood Insurance Office for more information. In addition, various governmental agencies have special requirements for obtaining building permits for properties located in Flood Hazard Districts.

- (i) **Lead-Based Paint.** Federal Law requires that the seller of any interest in residential real property must provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. Residential dwellings built prior to 1978 may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning also poses a particular risk to pregnant women. More information is available at the EPA website.
- (j) **Lead-Based Paint Renovation, Repair, and Painting.** In residential real property, the EPA under the Toxic Substance Control Act issued a rule to address lead-based paint hazards created by renovation, repair, and painting activities that disturb lead based paint. These rules establish requirements for training renovators, other renovation workers, dust sampling technicians, and renovation firms; for accrediting providers of renovation and dust sampling technician training to meet the new Federal requirements effective as of April 22, 2010, or substantial penalties may apply. The rule applies to paid contractors working in pre-1978 housing (residential, public or commercial buildings and all rental housing), child care facilities and schools with lead-based paint. Contractors include home improvement contractors, maintenance workers in multi-family housing, painters, and other specialty trades. Federal law may require that Buyer be provided with The Lead-Safe Certified Guide to Renovate Right: Important Lead Hazard Information for Families, Child Care Providers, and Schools pamphlet. More information is available at the EPA website.
- (k) **Climate Changes and Natural Hazards.** Climate changes (including sea level rise) could affect properties in Hawaii, particularly those at the shoreline and in coastal areas. All properties in Hawaii are also subject to natural hazards such as: hurricanes, storms, earthquakes, tsunamis, floods, landslides, etc. Buyer is advised to consult experts of Buyer's choice regarding any questions concerning the effects of climate changes and natural hazards that may affect the Property. For more information, visit the Hawaii Climate Adaptation Portal (climateadaptation.hawaii.gov).
- (l) **Wired Funds and Sensitive Personal Information Warning.** Criminals/hackers are targeting email accounts of various parties involved in a real estate transaction (for example, lawyers, escrow representatives, mortgage brokers, Brokerage Firms, real estate licensees) to divert funds to the criminal's/hacker's bank account. If you receive an email containing wiring instructions or a request for sensitive personal information from someone appearing to be involved in this transaction, you should call them at a telephone number that you obtain from a source other than from the email (for example, the Purchase Contract, their website, etc.) to be sure that you are contacting a legitimate party.

Seller shall provide Buyer and Buyer's representative(s) access to the Property for inspection(s), during reasonable hours with reasonable prior notice to Seller. The obligation of Buyer to purchase the Property is contingent upon Buyer's approval of inspections and review of all matters described in Paragraph I-6 within Fifteen (15) days after the Acceptance Date. All inspections and reviews must be completed within this time period. Seller agrees that the property inspection requires that the utilities be turned on, including propane, if applicable, at Seller's expense. If Buyer disapproves of the inspection or review results within the specified time period, Buyer may elect to terminate this Purchase Contract pursuant to Paragraph O-2. The Buyer's rights under this Paragraph do not affect Buyer's rights and timelines under Section I.

Buyer and/or Buyer's representative shall have the right to conduct a Final Walk Through of the Property no later than five (5) days prior to closing: (a) to confirm that the Property is in the same condition on the date that Buyer inspected the Property pursuant to Paragraph J-1, and/or (b) to inspect any repairs and/or corrections made by Seller, as agreed to in writing between Buyer and Seller. Seller understands that the Final Walk Through requires that the utilities be on, including propane, if applicable, at Seller's expense. If the Property has not been maintained, or repaired and/or corrected as agreed to in writing between Buyer and Seller, then the provisions of Paragraph J-4 shall apply, and Buyer shall have the right to repeat the Final Walk Through of the Property after the repairs are completed and prior to closing. If Buyer and/or Buyer's representative fails to conduct the Final Walk Through within the specified time period, Buyer will have waived this right.

[NA] K-1 **Staking (Boundary Points).** Within _____ () days after the Acceptance Date, Seller shall, at Seller's sole cost and expense, have a land surveyor licensed in the State of Hawaii stake the Property and ensure that all boundary points are visible. Buyer may have a land surveyor licensed in the State of Hawaii verify the accuracy of the location of the boundary points prior to closing. Seller shall reimburse Buyer for the cost of this verification at closing ONLY if the location of the original stakes proves to be inaccurate. Buyer understands that staking is not the same type of survey as described in Paragraph K-2, and does not confirm the accuracy of the description or the land area of the Property, or the existence or absence of encroachments onto the Property or onto a neighboring property. A survey map and report will not be provided.

[NA] K-2 **Survey.** Within _____ () days after the Acceptance Date, Seller shall, at Seller's sole cost and expense, have a land surveyor licensed in the State of Hawaii: (a) survey the Property even if the boundary points are visible and; (b) if improvements exist along the Property line, provide Buyer with a map (with surveyor's stamp) and accompanying report to show the perimeters of the Property and the location of any improvements in the vicinity of the perimeter Property lines. If in remedying the revealed encroachment(s), the encroachment(s) is partially or totally removed, then Seller shall be responsible for the correction of the survey (if Paragraph K-2 was checked) to reflect any changes in the revealed encroachment(s) no later than _____ () days prior to closing. Under Chapter 669 Hawaii Revised Statutes, certain tolerances for discrepancies involving improvements built along the boundary line of the Property for specific zonings are established, and such improvements may be considered de minimis.

It is recommended that the parties seek legal counsel to make this determination.
- O-6 **Third Party Claims.** It is understood that if a dispute or claim is made by or against a third party who is not obligated or willing to mediate or arbitrate such dispute or claim, then Buyer and Seller shall not be required to mediate or arbitrate such dispute or claim.

Locations LLC STANDARD ADDENDUM

PURCHASE CONTRACT Reference Date: 7/5/2019 Property: 445 Seaside Avenue # 3014 Honolulu HI 96815
Seller: Puuikena Investments Llp Buyer: Tim William James

1. **Scope of Service.** As explained in paragraph R-1 of the PURCHASE CONTRACT, Buyer and Seller should not rely on "Brokers" (the real estate firm, its owners and agents) in areas that they are not expert. LOCATIONS LLC strongly recommends that Buyer and Seller utilize experts of their choice in obtaining professional inspections and reports. Buyer and Seller understand the limitations of Brokers' expertise and hereby release the Brokers from any and all claims and/or liability arising from or related to areas in which professional services have been recommended.

2. **Termite Provisions:** L-2 of the PURCHASE CONTRACT and L-3 are amended as follows:
Seller acknowledges Seller has disclosed what Seller knows about termite infestation and damage on the Property. Under paragraph L-2, Seller is required to provide a Termite Inspection Report (TIR) to Buyer. Buyer understands that Buyer should review the TIR. Buyer understands that any form of termite infestation has probably resulted in damage. The seller and Brokerage Firms may not be aware of this damage and that this damage may be latent and undiscoverable without aggressive inspection methods.

Buyer's rights to cancel the PURCHASE CONTRACT based on the TIR are as follows:

- a. If the TIR contains no visible evidence of termite infestation or damage caused by termites, Buyer may not cancel the PURCHASE CONTRACT.
- b. If the TIR indicates visible evidence of infestation and/or damage caused by termites, Buyer has five (5) days upon receipt of the TIR to review and accept the property or cancel the PURCHASE CONTRACT pursuant to paragraph O-3 of the PURCHASE CONTRACT.
- c. In the event there is visible evidence of infestation, Seller is required under paragraph L-2 to order and pay for the recommended treatment for that condition. Once Seller completes the recommended treatment and/or provides the disclosures of termite damage required under paragraphs L-3 and I-2 and Buyer accepts the Property "AS IS" with respect to the discovered termite infestation and/or termite damage, Buyer may not later cancel the PURCHASE CONTRACT due to that same condition.
- d. Add to Termite Provision L-3 (Termite Damage): Buyer is aware that the TIR may fail to address termite damage. If Buyer is concerned that termite damage may affect the structural integrity of improvements, then Buyer is advised to have experts of Buyer's choice assess the damage under paragraph J-1. If the J-1 inspection has already been completed, Seller agrees to permit a termite damage inspection under the same terms as paragraph J-1. The inspection shall be done no later than three (3) days from the discovery of the termite damage. The buyer has 5 days from the date of the termite damage inspection to accept the property or terminate the Purchase Contract pursuant to the terms in paragraph O-3.

3. **Home Inspection & Home Warranty.** The inspections referred to in paragraph J-1 of the PURCHASE CONTRACT encompass a wide range of professional fields and expertise. Locations LLC strongly recommends that Buyer obtain a professional home inspection as well as surveys and inspections in specialized areas.

a. **Professional Home Inspection decision** (Buyer to check one):

a. Buyer elects to obtain a professional home inspection at Buyer's expense

b. Buyer declines to obtain a professional home inspection

b. **Home Warranty decision** (Buyer to check one):

a. Buyer elects to obtain a home warranty at Buyer's expense

b. Buyer declines to obtain a home warranty.

4. **Seller's Obligations Upon Later Discovered Information.** In accordance with the provisions of HRS 508D-9, all written reports obtained by or provided to Buyer shall be considered an Amended Seller's Disclosure Statement and the discovery date shall be the date Buyer receives the written Later Discovered Information. Reports include but are not limited to title reports, inspection reports, survey reports, termite inspection reports, condominium, cooperative, subdivision and PUD reports, homeowner's/planned community documents and rental property matters. Buyer shall provide Seller with a written acknowledgment within 5 days of receipt of the Later Discovered Information per Paragraph I-4 of the Purchase Contract.

- 5. **Mold Disclosure.** Mold is part of the natural environment, but when water or moisture is present it can grow and become hazardous. There are different types of mold, some of which can cause severe health problems. You can read more about mold and other environmental issues at the U.S. Environmental Protection Agency website www.epa.gov. Your agent can also provide you a copy of an EPA guide.

Both Seller and Buyer have responsibilities. Seller should disclose any known defects and material facts about the Property and its improvements. Buyer understands that Seller and Brokerage Firms do not have the requisite expertise to advise Buyer about mold, including its possible hidden presence. Buyer is strongly advised to utilize professionals to determine if there is a mold problem on the Property. If Buyer finds the Property unacceptable due to mold-related issues, Buyer has the right to cancel the PURCHASE CONTRACT per paragraph J-1 of the PURCHASE CONTRACT. Once Buyer has a) exercised his/her inspection right or b) waived his/her inspection right, Buyer agrees to take the property "AS IS" and assume all risks with respect to mold, if any.

- 6. **Building Permits Disclosure.** Some properties do not have all building permits required by county ordinances and/or may not have been built according to plans or building permits issued. Buyer understands that there are potential risks in purchasing any property on which unpermitted or non-complying work has been done. These risks include but are not limited to: the City or other governmental agency requiring removal or rebuilding of unpermitted or non-complying items and fining the owner of the Property; possible violations of zoning ordinances pertaining to use and/or occupancy limits which may require removal or discontinued use of Property that is in violation of the ordinance; a possible hazardous condition caused by nonconforming or unpermitted construction; the Property's future marketability may be impacted; and/or a lender's appraisal of the Property and the decision to extend financing could be adversely affected by unpermitted uses or construction on the property.

During the J-1 inspection period, Buyer and Buyer's contractor, architect and/or other experts of Buyer's choice are advised to review, among other things, the Property's building permit records to determine whether structural modifications, additions and/or other changes were done with properly issued permits and received final approval by the appropriate governmental agency.

In light of these circumstances, Seller and Buyer agree as follows:

[NA] a. A professional service will be hired to obtain a "building permits package" and _____ will pay for the cost and order this service within two days of acceptance. If seller is to provide the permits package, seller will deliver it to Buyer within 10 days of acceptance. If the buyer does not accept the Property based on the contents of the permits package within 5 days of receipt, the Buyer may cancel the PURCHASE CONTRACT pursuant to paragraph O-3 of the PURCHASE CONTRACT.

[NA] b. Seller will obtain permits for any improvements not properly permitted and/or signed off (closed) within _____ days prior to closing. Seller agrees to pay the cost to obtain such permits, including the cost to correct deficiencies required to obtain such permits, up to a maximum of \$ _____. If costs exceed this amount, Buyer and Seller shall, within _____ days from the determination of said costs, agree in writing on who shall pay for the additional amounts needed to obtain the necessary completed permits; if Seller and Buyer cannot agree on this amount, either of them may cancel this PURCHASE CONTRACT under the terms of O-2 (Termination Provision).

- 7. **Applicable to New Home or Dwelling with New Construction (new law effective 7/1/04):** Hawaii Revised Statutes contain important requirements you must follow before you may file a lawsuit or other action for defective construction against the contractor who designed, repaired or constructed your home or facility. Ninety days before you file your lawsuit or other action, you must serve on the contractor a written notice of any construction conditions you allege are defective. Under the law, a contractor has the opportunity to make an offer to repair and/or pay for the defects. You are not obligated to accept any offer made by a contractor. There are strict deadlines and procedures under the law, and failure to follow them may negatively affect your ability to file a lawsuit or other action.

By initialing and signing below, Seller and Buyer acknowledge that they have read and understand the terms of this addendum. Both Buyer and Seller are encouraged to consult with an attorney regarding the terms of this addendum.
