**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

* * *

MARK RANCISSI,

Plaintiff,

v.

TAYLOR BEAN & WHITAKER
MORTGAGE CORP, *et al.*,

Defendants.

Case No. 2:13-cv-01186-APG-PAL
ORDER

Defendants' Motion to Dismiss [Dkt #5] contends that Plaintiff has filed nearly identical actions in both the state court and federal court. Subsequently, Plaintiff filed two additional state court lawsuits. The state court dismissed two of those lawsuits and entered Summary Judgment against Plaintiff in the other. (Dkt. #31 at 3:1-16.) The state court complaints were near mirror images of Plaintiff's federal court complaint; the actions concerned the same property and sought identical relief, and cumulatively were filed against the same parties. Because the state court matters were addressed and resolved by the state court (including through entry of Summary Judgment against Plaintiff, see Dkt. #31-2), those decisions have res judicata and collateral estoppel effects concerning the property and claims that are the subject of this federal court lawsuit. Plaintiff is not entitled to relitigate claims in different courts seeking to obtain a different result.
