22 **STIPULATION AND ORDER TO EXTEND DISPOSITIVE MOTION DEADLINE**

23 **(Second Request)**

24 The parties, by and through their respective attorneys, stipulate as follows:

- 25 1. On February 5, 2016, the court entered an order extending the dispositive motion
26 deadline to February 10, 2016. ECF No. 56. That was the parties' first request to extend the
27 dispositive motion deadline.
28 2. On February 10, 2016, while attempting to file Boulder Ranch Master

1 Association's and Performance CAM, LLC's motion for summary judgment, counsel
2 experienced technical difficulties. Counsel's computer system shut down and was inaccessible
3 until February 11, 2016. This was unforeseeable and unexpected and rendered the motion for
4 summary judgment inaccessible.

5 3. Counsel contacted the attorneys for all parties on February 11, 2016 when access
6 to the system returned and explained what occurred.

7 4. The parties agree that this event constitutes an unforeseeable circumstance that
8 justifies a one-day extension of the dispositive motion deadline.

9 5. Boulder Ranch and Performance Cam have also shown excusable neglect for
10 seeking this extension after the deadline because the technical issue prevented them from
11 requesting the extension sooner.

12 6. There is also good cause to grant relief under the scheduling order because
13 counsel for Boulder Ranch and Performance Cam diligently sought an agreement from the
14 parties by contacting them within one day of the expiration of the deadline.

7. Therefore, the parties agree that the dispositive motion deadline should be extended from February 10, 2016 to February 11, 2016 for Boulder Ranch and Performance Cam to file their motion for summary judgment.
