To Whom It May Concern,

Mr. Edward Ord underwent major hip surgery on December 13, 2015 for a hip fracture. I saw him today in my office. I currently project that he will not be able to return to any employment until March 21, 2016. At that time, his office scheduled should be half-time until June 30, 2016. Requiring him to deviate from this limited duty recommendation would jeopardize fracture healing, resulting in the potential need for additional treatment, including surgery.
