**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

QUIWANERA SPIKES,

Plaintiff,

v.

EXTRA STORAGE SPACE, *et al.*,

Defendants.

Case No. 2:14-cv-0796-APG-CWH

**Order Accepting Findings and  
Recommendation and Dismissing Case**

10 On June 5, 2014, Magistrate Judge Hoffman entered his Findings and Recommendation  
11 (Dkt. #5) recommending dismissal of Plaintiff's Complaint for lack of subject matter jurisdiction.  
12 Plaintiff filed an objection to that Findings and Recommendation. (Dkt. #6.) Pursuant to Local  
13 Rule IB 3-2, I have conducted a de novo review of the issues set forth in the Findings and  
14 Recommendation. Judge Hoffman's Findings and Recommendation sets forth the proper legal  
15 analysis, and the factual basis, for the decision. However, I disagree with his recommendation  
16 that the dismissal be with prejudice. While this federal court lacks jurisdiction over plaintiff's  
17 claims, the Nevada state court system likely has jurisdiction over her claims. Plaintiff is not  
18 represented by counsel in this matter, and she should not be barred or estopped from attempting to  
19 pursue her claims in state court merely because she initially filed them in the wrong court.  
20 Therefore,

21 IT IS HEREBY ORDERED that Judge Hoffman's Findings and Recommendation is  
22 accepted, except that dismissal should not be with prejudice. This case is DISMISSED  
23 WITHOUT PREJUDICE. The clerk is directed to enter judgment accordingly and close this file.

24 Dated: July 29, 2014.
