9 _____)

10   Presently before the court are Plaintiff's motions for extension of time (ECF No. 225), and

11 for enlargement of number of requests for admissions (ECF No. 226), both filed on October 21,

12 2016. Defendants filed responses (ECF Nos. 227 and 228) on November 4, 2016, and Plaintiff filed

13 a reply to both responses (ECF No. 229) on November 11, 2016.
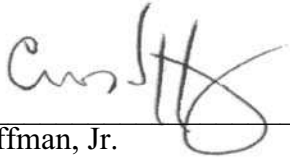

14   Plaintiff requests an extension to the deadline to serve his requests for admission on

15 Defendants, and for leave to file further requests for admission. Under Local Rule 26-4, a request to

16 extend a scheduled discovery deadline must specify the reasons why the deadline was not satisfied,

17 and show good cause for an extension.

18   Pursuant to this court's order (ECF No. 222), the deadline for Plaintiff to serve Defendants

19 with revised requests for admissions was October 17, 2016. That order also set a limit on Plaintiff's

20 requests for admissions to thirty total requests for all remaining Defendants. Defendants represent

21 that shortly before this deadline, Plaintiff attempted to re-serve Defendants with a set of unrevised

22 requests for admission that far exceeded the limit imposed by the court. Plaintiff does not contest

23 this, but asserts that the additional requests are necessary for his case.

24   However, Plaintiff provides no reason for his failure to serve Plaintiff with his revised

25 requests by the court's deadline. Nor does Plaintiff show that there is good cause to extend the

26 deadline. As for the request to increase the number of requests for admission, the court finds no

27 grounds to amend its previous order on this matter.
