On September 19, 2016, I entered an order addressing the defendants' motions for summary judgment. ECF No. 129. I wrote that I would grant those motions if the defendants properly authenticated the exhibits they relied upon in those motions. The defendants have now submitted documents authenticating those exhibits. ECF Nos. 130, 131, 132. Therefore, based on the analysis set forth in my prior order, the defendants are entitled to summary judgment on the plaintiff's claims. I now grant the motions for summary judgment.
